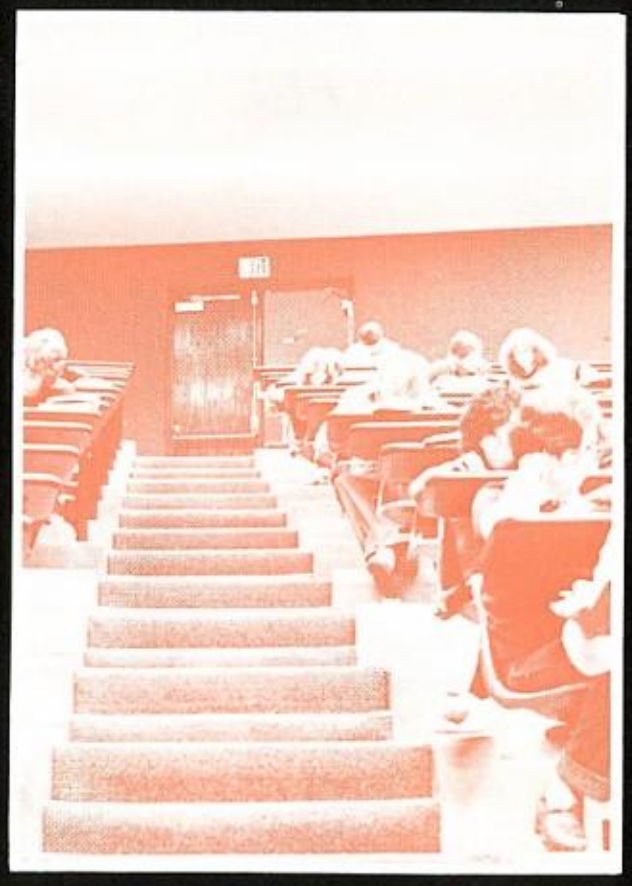
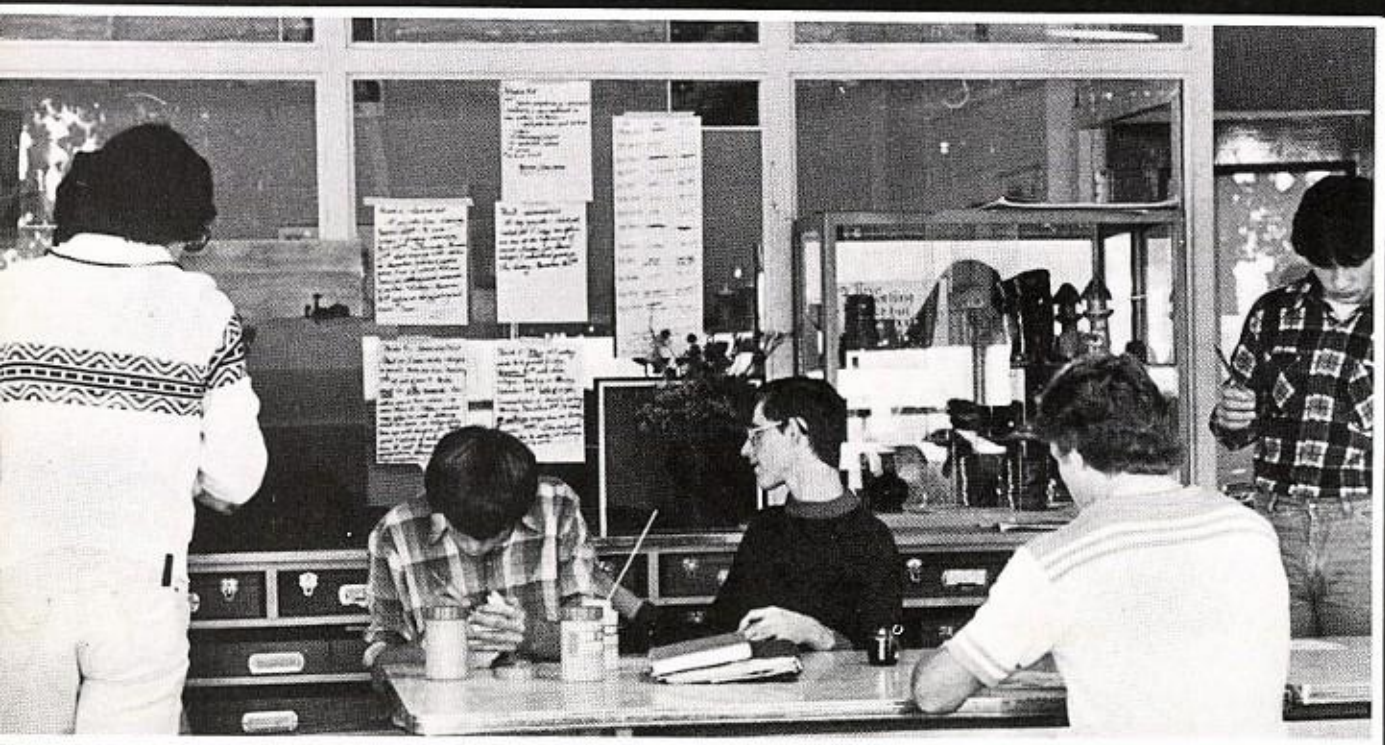
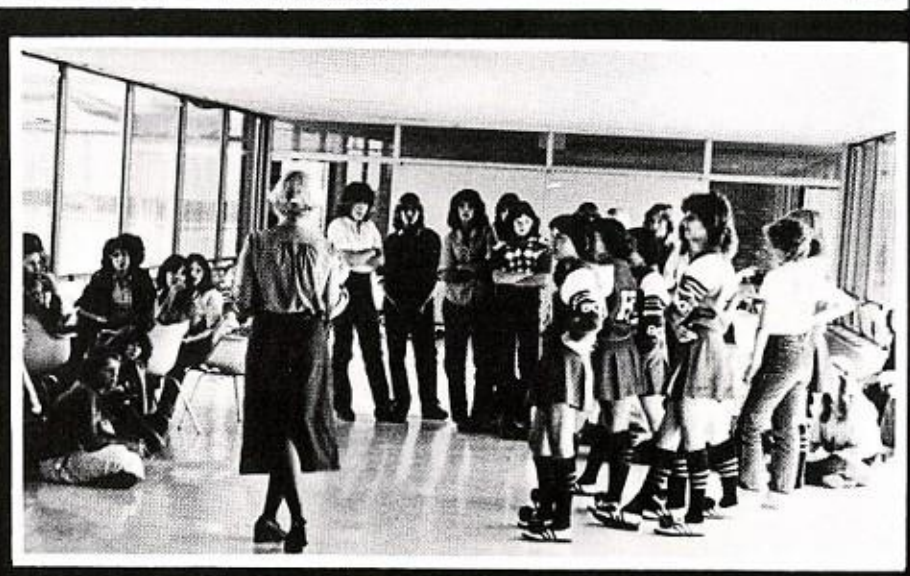
THE YEAR 1980 BEGINS THE DECADE OF THE TIGER

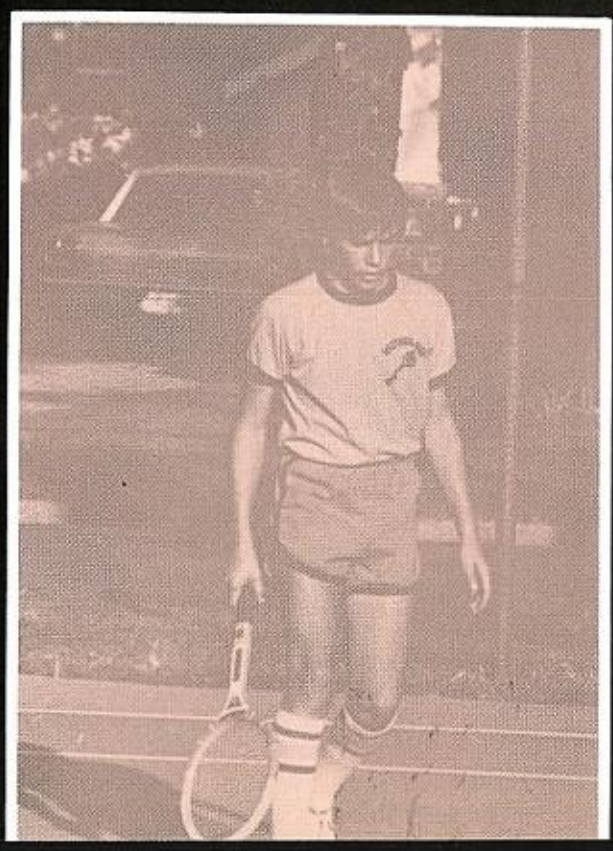
The beginning of this new decade brought many changes to Tigerland at HHS. For the freshmen class it was a new beginning as they discovered how it felt to be moved to the senior high school, and as for the seniors this year concluded twelve years of hard work and determination along the winding road of life. The move of the freshmen to the high school was hard to accept by many students at HHS, but with hard work most students were able to adjust to these changes. The changes in scheduling was more readily accepted by the freshmen and the sophomore classes as these groups of students had not experienced the previous scheduling.

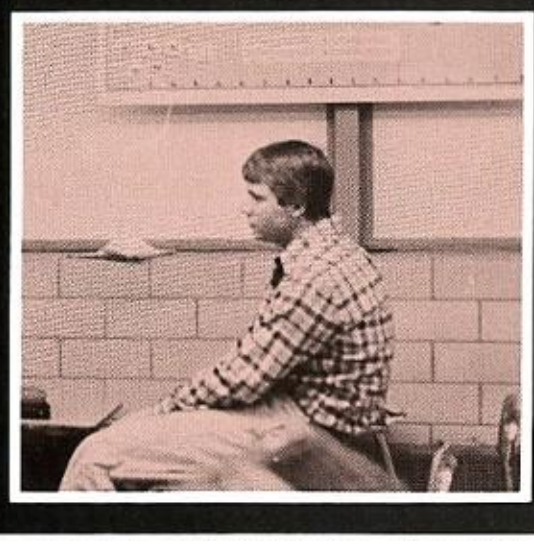
These two changes were the outstanding ones and greatly affected everyone involved.











I am not afraid
of tomorrow,
for I have seen
yesterday,
And I love today.

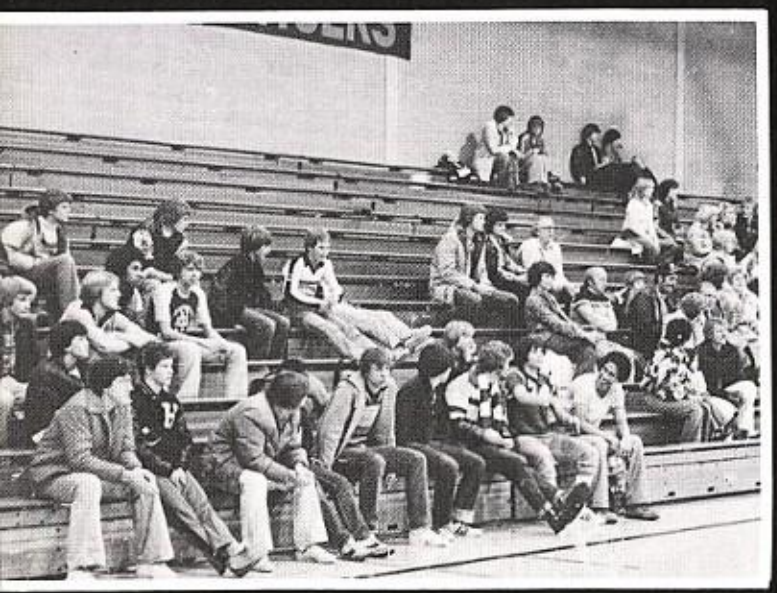
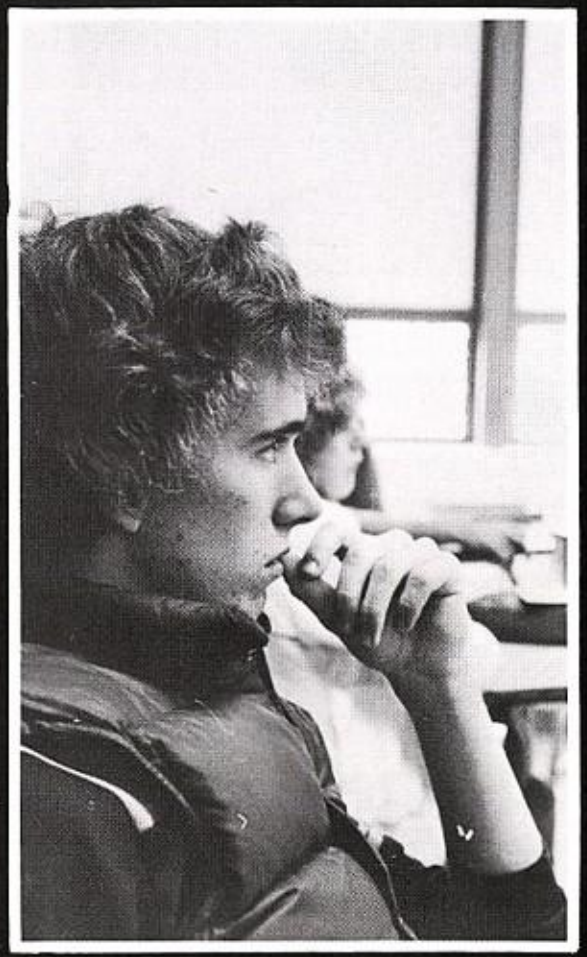
SENIORS

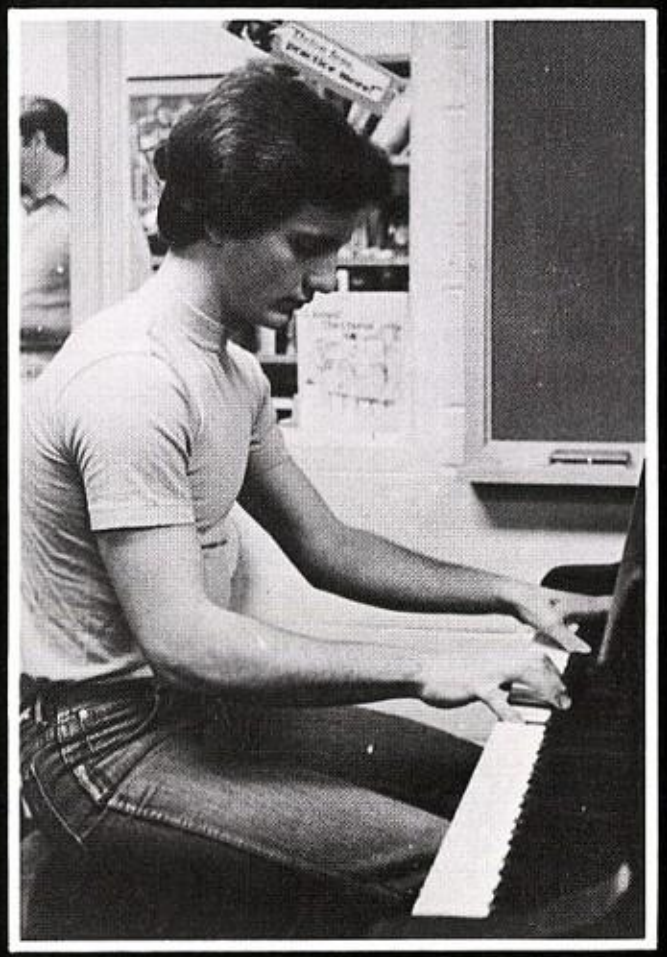
SENIORS- A "TOUCH OF CLASS"

This year the class of 1980 discovered new heights in their educational development. This years' seniors excelled in many academic subjects and shared also in not only academic scholarships but also in athletic and music-based scholarships.

The class of 1980 gathered together on May 22 in the Hastings College Chapel to begin graduation and leave behind twelve hard years of work and determination. This was probably the last time the whole class would be gathered together in one place at the same time. Now, every person would go his own seperate way to discover what the future has in store for him. Although the seniors left behind many friends and memories, those memories will keep alive the friendships they have attained and enjoyed. As the 1980 school year drew to a close it was said and acknowledged that the graduating seniors of 1980 ended their high school careers with "a touch of class."







Top Right: Sandy Batt helps out with the children at the high school Child Development Playschool. Middle: Tom Burke thinks pensively about his last year at HHS. Middle Right: Tom McDowell practices his talents at the piano. Lower Right: Enthusiasm is one asset that the senior guys assert at the high school basketball games. FACULTY

GUIDING US INTO THE 80'S- A TRIBUTE TO THE FACULTY

The end of the 70's and the beginning of the 80's brought many trials and tribulations to the 1979-80 faculty. Many changes were made in schedules and the size of the school population was increased greatly. The students and faculty worked together to face these problems, and in the end all worked out for the better. The enlargement of the classroom was a sure test of every teachers versatility. The students were proud of the faculty and crew. In a time of stress they came through 100% in giving of themselves, so as to better the education of everyone. Because of their teachings, every student was insured of a brighter future.

This year, several new faces were seen in many different departments at HHS.

The English department recruited four new teachers. Nancy Guthmann taught English 9 and 10. Carla Hedstrom was the 9th grade English teacher. Letitia DePalma, taught creative writing. Rita Miller was the new debate coach and English 10 instructor.

Two new physical education-/coaches were added to the HHS staff. Denise Teetor, was the coach of the varsity volleyball team and also the teacher of sophomore and freshmen physical education. Docker Hartfield was the new boy's P.E. instructor and swimming coach.

Earl Mullins was the new boy's basketball coach and a teacher of math. Joyce Sutter instructed marketing and merchandising classes. Sue McDougal worked with the TMH students.

The art department was enlightened by Betty Kort and Thomas Hardin. Barbara Franklin was the new ninth grade home economics teacher. Melodee Owens instructed freshmen civics. Dave Shane was added as the new resource teacher for ED and LD. Louis Panas taught in the industrial arts department and coached the freshman football team.

There were also nine people, who were remembered by anyone who had attended Hastings Junior High. They're all transferred from the HJH staff, and included; Thomas Barry, social studies; Grayden Dill, math; Kenneth Fike, social studies; Leslie Harms, counselor; Paul Johnson, math; Elaine Lamski, French and Spanish; Craig McDonald, math; Kathleen McDonald, occupational education; and Verlyn Wohelb, typing.

HHS also saw the resignation of Paul Schneider. Schneider was a teacher of chemistry for eleven years at HHS, and he left his job here to begin work as a computer programmer for the Meat Animal Research Center.

The 1979-80 Student Body wishes to thank all involved at HHS, for giving us an education and guiding us through the 70's and into the 80's!

MAJORETTES DO IT IN STYLE AT HALFTIME

Throw, spin, catch! A lot of practice went into the performances given by the majorettes. Dazling fire and golden hoops were special features. They marched and performed on the football field with the band and marched in the Melody Roundup, Harvest of Harmony, and a parade at York. They twirled for basketball games. This was the year for new uniforms, they were worn for the basketball season.

They were chosen last May. They practiced during the summer, and went to clinics in Wichita, Kansas, and Grand Island.

KISHKUNAS SAYS, "CONGRATULATIONS"

The high school years are a period of time never forgotten. It is a period of time when the student is becoming aware of the world about him; a time when he is able to form opinions and a philosophy to guide him through the rest of his life; a time when he is being prepared for the responsibilities that come with being a contributing adult in our society. Yet, during this period of his life the pressures are minimal and the exhileration that comes with new challenges, new learnings, and new experiences seem to set the tone of the school. The student is developing his interests; nurturing his talents; facing challenges; competing for status; cooperating for the common good; contributing to the community; and receiving its benefits. In short, these years are a condensation of all those experiences that are representative of those needed to carry a person through his whole life.

I hope that this volume of the Tiger will be an accurate history of life at Hastings Senior High School. I expect that it will be a cherished keepsake which will be referred to often as the graduate tries to bring back the memories of these good days.

I extend my good wishes to the student body of Hastings Senior High School and especially to the members of the senior class. I especially offer my congratulations to the parents of these seniors - their support and patience is now beginning to pay off. A special message of appreciation is due to the students and teachers who have put this volume together so that all of us can appreciate it through the coming years.

Louis J. Kishkunas
Superintendent of Schools.

STAFFS MET THE DEADLINES

With the "crazy" 1979-80 yearbook staff Mr. Glen Houtz made it through another year's work.

There's a lot of things to accomplish during the year, such as balancing layouts, cropping pictures, choosing theme, type styles and cover designs, making photo orders, and writing copy, but it all adds up to the "1980 Decade of the Tiger" complete with 200 of pages of Hastings high school activities.

"I think the yearbook lets me look back at my friends and what I did in High School," said Mark Thaut.

A.F.S. BRINGING FRIENDS TOGETHER

Akiko Jumonji, Marcelo Casenove and Joann Hamilton brought a taste of foreign culture to HHS as they spent the 79-80 school year in Hastings.

Akiko Jumonji is a foreign exchange student from Tokyo, Japan. She arrived in Hastings, August 26 and she stayed with the families of Glen Houtz, Ed Loutzenheiser, Tom Jorgenson, and Dave Peterson. At her school, Akiko was the student body vice-president, and she was the manager of the soccer team. She was a member of a flower arranging club and a tea ceremony club. She was a member of the varsity volleyball and track teams while she attended HHS.

Marcelo Casenove is an exchange student from Sante Fe, Argentina. He arrived in Hastings on July 21, and during his stay he lived with the family of Mr. and Mrs. William Locke. Marcelo was active in basketball, soccer and football in Argentina. He played varsity football and was active in tennis and baseball while he attended HHS. He enjoyed being a referee for the YMCA soccer league, also.

Joann Hamilton is an exchange student from Sheppardon, Australia. She arrived in Hastings on January 19, and during her stay she lived with the families of Lloyd Kitrell, Bill Vaughan, A.G. Wilson, and David Peterson. Joann was a member of the varsity tennis team and Flag Squad while she attended HHS. Joann definately disproved the theory that all Aussies are blond. Joann wanted to thank the Rotary Club for giving her and others like herself the opportunity at experiencing life in different countries!

Marcelo felt that, "to understand other people was the first rule of AFS."

He, Akiko, and Joann accomplished this by making many friends and learning our many cultures and especially our language.

TIGER YEAR IN PICTURES

Watch the birdie. Smile and say cheese. These cliches could only be connected with HHS photo staff. When you least expect it and least want it, a madman with a delicate piece of machinery smashed against his face, creeps out of homebase, code number 211. He sneaks behind doors and eeeek! There he is! Snap! For two weeks afterwards you say you saw blue dots. Well, that's the price you have to pay to have your picture in the newspaper or yearbook.

This years photo staff was made up of three seniors: Jim Vaughan, chief; Dan Mangers and Steve Hahn, and three juniors: Phil Berlie, Al Uerling and Mike Natvig. The photographers were chosen the preceding spring by Mr. Houtz and Jim Vaughan. They met period three on Tuesday and Thursday to hand out photo assignments and work on developing pictures in the dark room in 211.

Jim Vaughan said, "At the beginning of the year none of the other photographers knew how to develop pictures, so the whole first semester involved not only practice in taking pictures, but also in developing them. A lot of time and work goes into the pictures that you see in your newspaper and yearbook. this is shown by the excellent pictures that are produced.

Below: This is crazy! A photographer in front of the camera?! This is your big break boys, smile! Left: Insane with power, Jim Vaughn, chief of staff, towers over Steve Hahn.

79-80 YEAR OF TIGER SPIRIT

We've got the spirit in our school, so let's get a little bit rowdy, and for two bits or four bits we can stop, look, and listen to Judy kicken em right in the booty, or some rockem sockem Tigers! There isn't a better reason for all you Tiger fans to stand up and clap your hands and yell V-I-C-T-O-R-Y that's our Hastings battle cry!

HHS had a great increase in spirit this year. This increase was due to an enthusiastic crowd and twenty spirited cheerleaders!

There were four varsity squads of five cheerleaders, that cheered for both J.V. and Varsity games. They were chosen in April of last year by the student body, after being cleared by a screening committee made up of past Tigerettes and Cheerleaders, and members of the faculty.

There were also four squads of sophomore and freshmen yell-leaders, who cheered for the Fall and Winter Sports of the sophomore and freshmen teams. They were chosen during the school year by a group of Tigerettes and Varsity Cheerleaders.

The surprises this year were new uniforms and a new sponsor, Carla Hedstrom.

During the Fall, the cheerleaders held a hamburger feed for the Football team. A Pep-Parade, followed by a watermelon feed, was held for all the Fall Sports Teams. A breakfast was given for the Girls Basketball Team during the winter and many other spirit raising projects were held throughout the year.

This year, for the first time pep rallies were made optional. The turn out for the rallies was outstanding, and they proved to be a great spirit booster.

Being a cheerleader takes a lot of dedication and hard work, with fantastic years like 79-80, the work will always pay off!

"THE CHOIR KIDS WERE FUN"

Laurie Smith (Student Teacher)

Make Your Own Kind Of Music. There were eight different music groups this year at HHS. They all had an excellent year.

Side By Side, and Bye, Bye, Blues, sounds of The New Generation? Right. These are some of the songs the Barbershop Quartet sang during the Christmas concert. This dedicated group consists of: Dave Hupf, Dave Crowl, Tom McDowell and Doug Runcie. The quartet won a four state competition at Emporia, Kansas.

"They put in a lot of hard work, and it paid off," remarked Mr. Robin Koozer, the choir director.

The Exceptional Children's Mixed Choir, directed by Mary Krull, sang It's A Happy Day, and Silver Bells, at the Sounds Of The Holidays Christmas concert.

The Madrigals, 20 selected people ranging from grades 10-12, were chosen last Spring from many talented candidates. The Madrigals were chosen out of 16 choirs to sing at NMEA. They sang a variety of music, from Come Bid Farewell To Sorrow, to I Know An Old Lady, during concerts. They also gave special performances and sang Christmas carols the day before Christmas vacation in the library.

The Ninth Grade Swing Choir was a group of 20 selected freshmen. They participated in the Fall, Christmas and Spring concerts.

The HHS vocal music department, under the direction of Mr. Robin R. Koozer, presented three major concerts this year. The Fall Choral Concert took place on October 9. The Sounds Of The Holidays Christmas concert was given on December 18, and the Spring Choral Concert took place in May.

A new accompanist played for many of the choirs. She was Debra Dowling.

Laurie Smith, a student teacher from Hastings College, helped out with the different choirs. She commented, "I enjoyed the kids, they were fun to work with, and were very talented."

The Concert Choir, a group of 32 juniors and seniors, participated in the three major concerts. They sang songs like: "Don't Cry Out Loud," and "Can't Smile Without You," plus other pop songs.

Sixty Juniors and Seniors were picked to be the Chamber Choir. They sang in a Chamber Choir Concert in March. These people are chosen each Spring for the next year's choir.

The Ninth and Tenth graders who wish to be Singers, don't have to tryout. This gives them a chance to experience choirs and prepares them for the next year if they wish to try out for a choir. The Singers had 80 members. They took part in the Fall, Christmas, and Spring concerts.

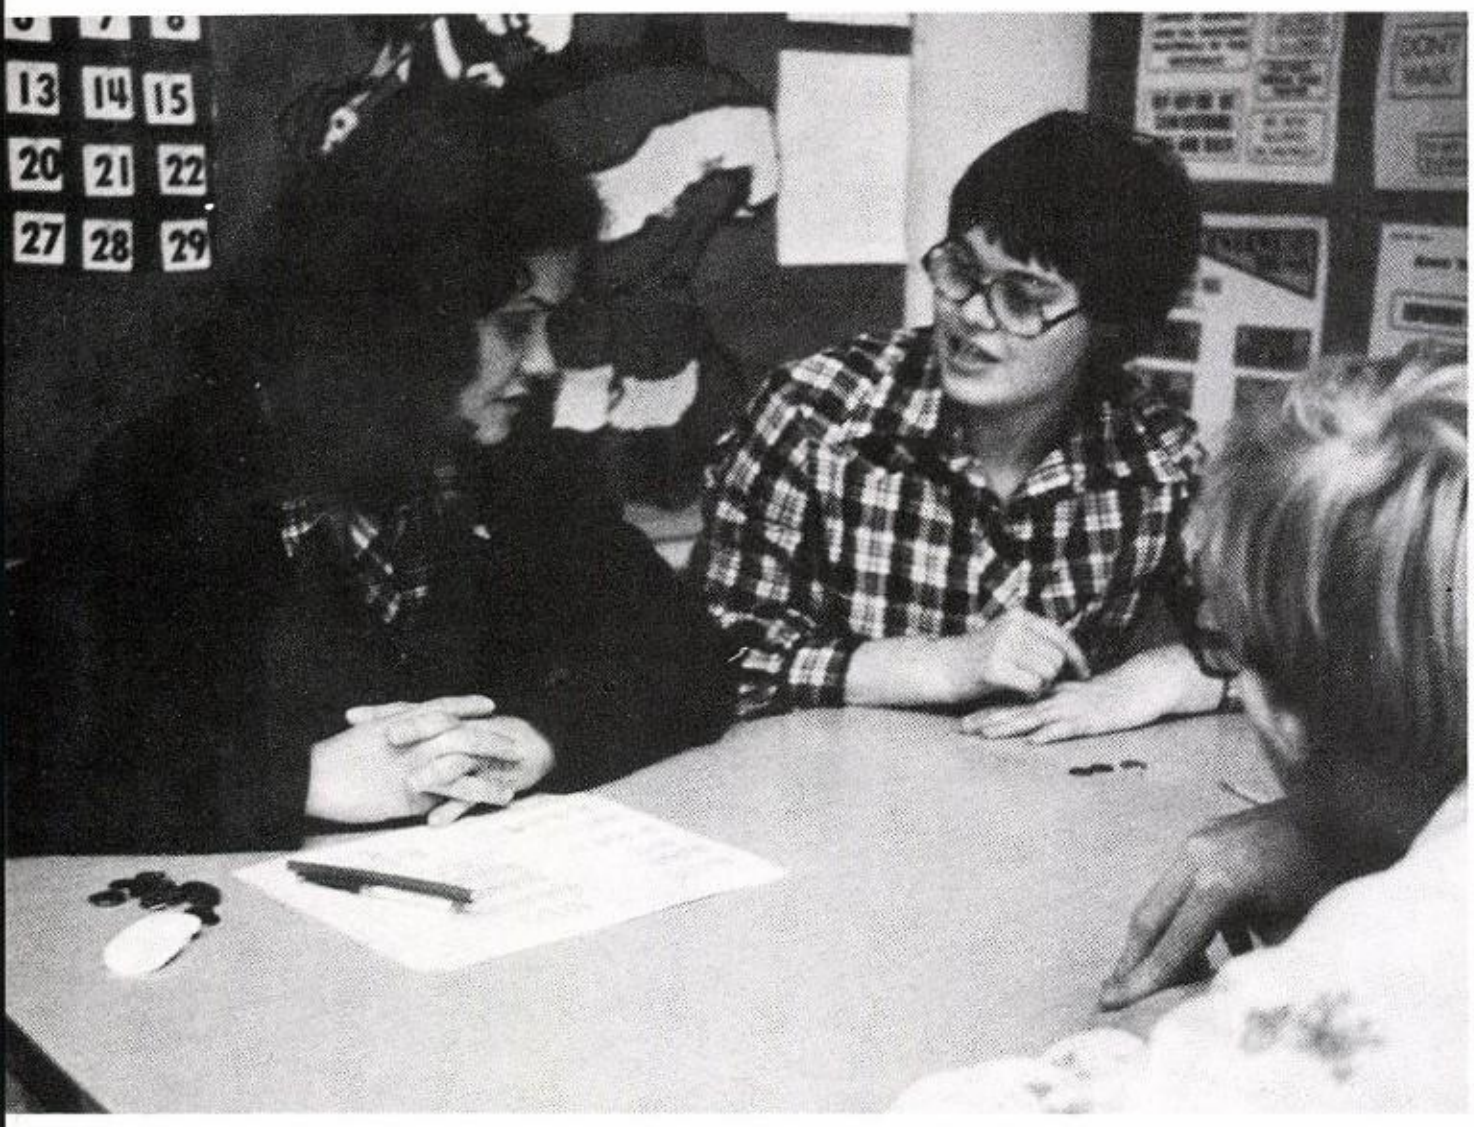
TMH PROVIDES OPPORTUNITIES



The TMH program is now known as the Developmental Learning program.

The class is made up of eleven students all working at their own speed and level of knowledge. The program does not separate the students into grades. By doing this it gives each student a chance to learn at his or her own speed.

Subjects the students are given are the basics- English, math, social studies, and science. Along with the basics Physical Education, field trips, bowling and swimming are provided.

The program has been at the senior high for 3 years. By moving to the senior high the students are given the same surroundings and activities given all who attend the senior high.

Supervisor for the program is Mr. Don Sutton. Teachers are Miss Susan McDougal, Mrs. Linda Walsh, and Mrs. Mary Krull.

Sophomores Say,

ITS NOT WHAT I EXPECTED

In the beginning high school was known as grades 10-12. But now in the modern times it is better known as grades 9-12 because of, "declining enrollment."

Some of the sophomores weren't exactly thrilled about the ninth grade moving to the senior high.

Most of the students expected something different from what they found at HHS. Many of them thought sophomores didn't have enough freedom and couldn't do what they wanted to do.

Some sophomores really enjoy HHS. As one of them said, "Its living." Others like to just sit around and relax. One student said, "I just like to sit and watch the girls go by."

A sophomore new to Hastings Public Schools said, "I like it because it's bigger than my old school and it's more interesting, has better and harder courses and more extracurricular activities."

Some of the sophomores don't seem to like school at all. A few of their comments are: "Its a waste of time.", "I hate it." or simply "Yuck!"

The 1980 juniors were caught somewhere between sophomore orientation and senioritis all year. Chris Minnick gave the opinion of most juniors when she said, "Yee-haw! It's better than being a sophomore!" Dan Bunde added, "It means that we're only one step from the top --- most of us!" Brian Hopkins said, "Being a junior means having a touch of class." Robb Early had his own opinion and simply stated, "Big whoopee."

J.V. KEY TO WINNING . . . SPIRIT

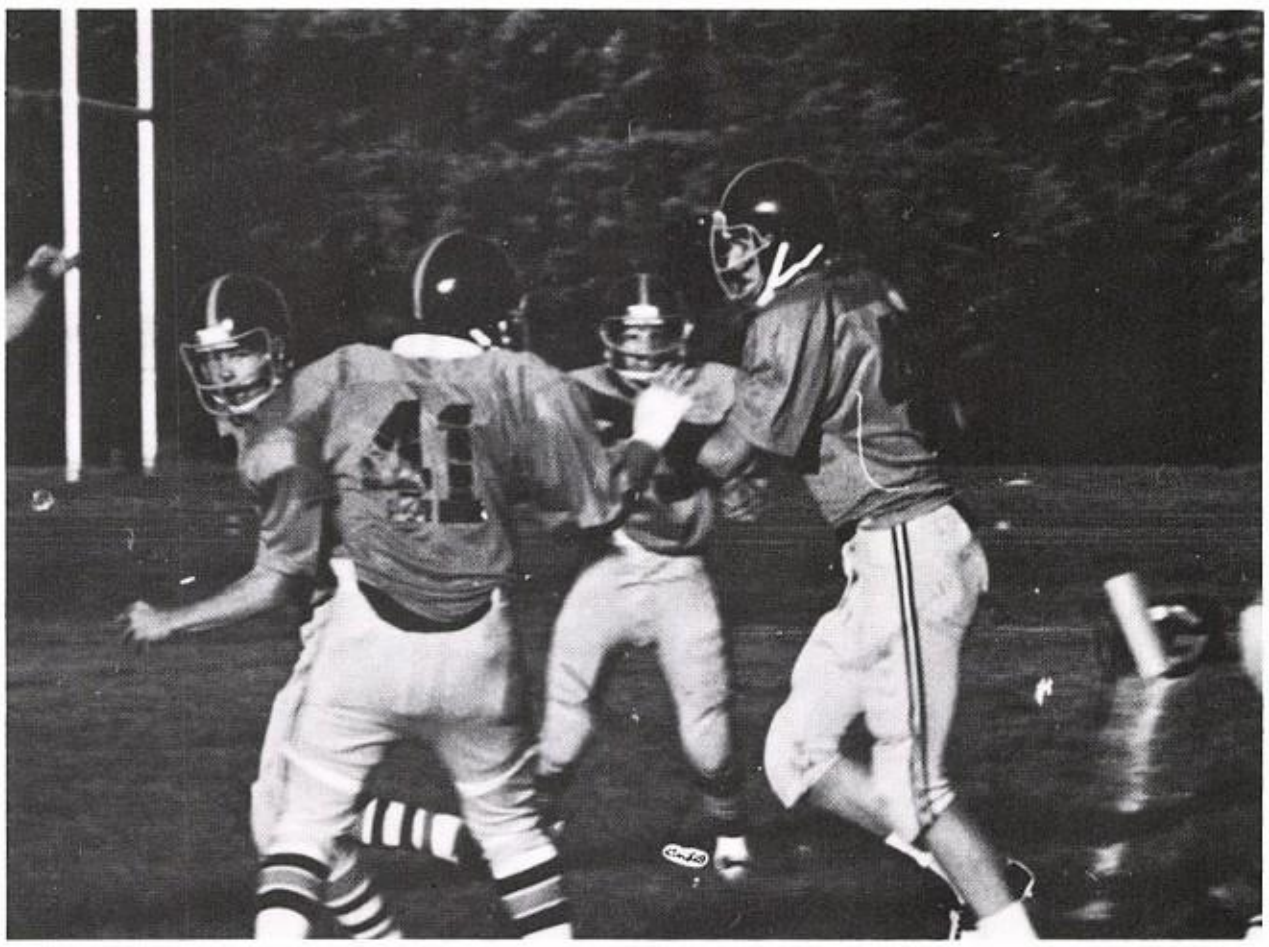
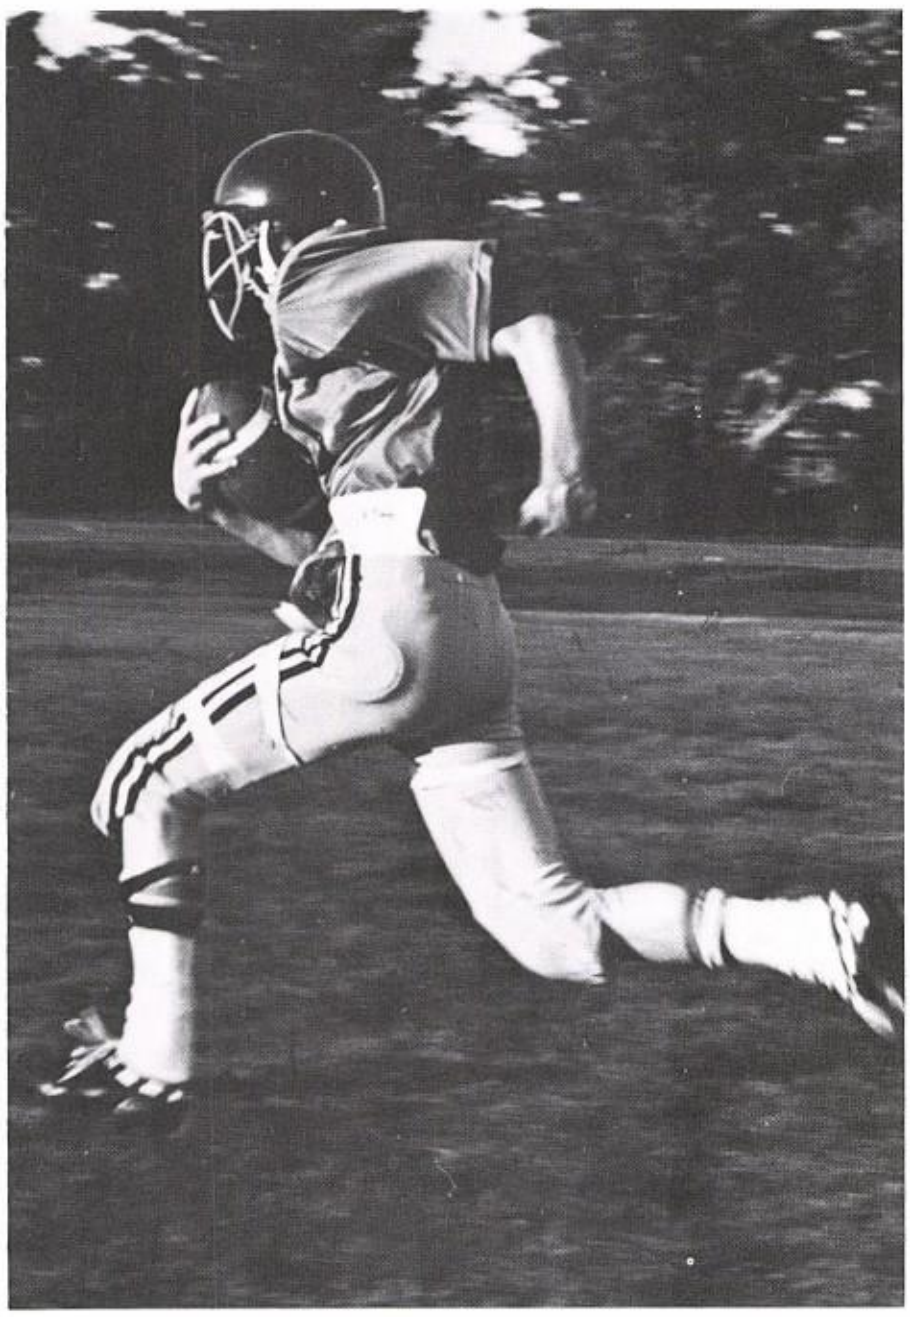
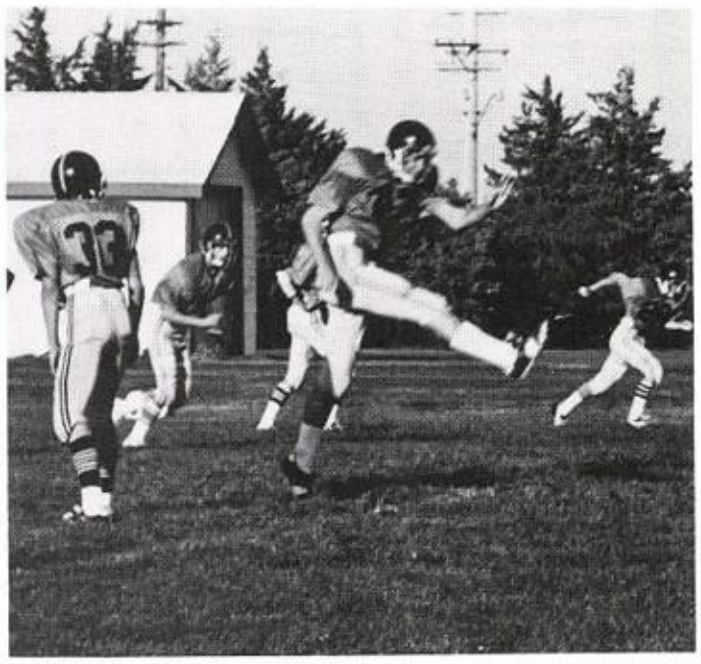
Number 33, Lance Davie, wanted to get into the action at the Minden vs. Hastings game.



In the 79-80 school year the Ninth Grade Tigers had a 3-4 season. Coach Panas stated, "We started out the season well, and injuries hit and we lost the last three ball games. I look forward for these young men to have a good football team in the years to come."





Top: Tigers go in to raise the score, which happened many times during the season. Above: Number 43, Jamie Carr, had a fantastic punting season this year. Left: It is impossible to stop a tiger, which was proved by Doug Gartner.

SOPHS RECORD 2-1

The young Sophomore team reeled off a 2-1 record on their season. They had two big victories over Kearney and Minden, with their only loss coming to arch-rival Grand Island.

Coach Jim May was very pleased with the two victories, and stated that the loss to Grand Island was due to the lack of players at the game.

Coach May was pleased with the season and noted that the practice with the varsity players would help the young Tigers in their remaining years. The Sophomores were lead by Mark Kister, Mitch Hinrichs, and Mitch Fraser.

JV'S POST 3-2-1 RECORD

The Junior Varsity football team posted a 3-2-1 record during the 1979 football season. They beat North Platte, Beatrice, and Columbus. They were defeated by Lincoln N.E., and Grand Island, with the tie coming to Kearney.

Coach May cited the North Platte game as a big win for the Tigers. They won by a 10-0 score. There was not much offense generated in the second half, but Coach May pointed out that the defense shut them down in the second half to secure the win. Coach May pointed out that the Grand Island game was a tough loss because the Tigers had several opportunities to win that game.

Coach May commented that overall the season was good. He also commented that the teams effort was very good and that a lot of players gained valuable experience.

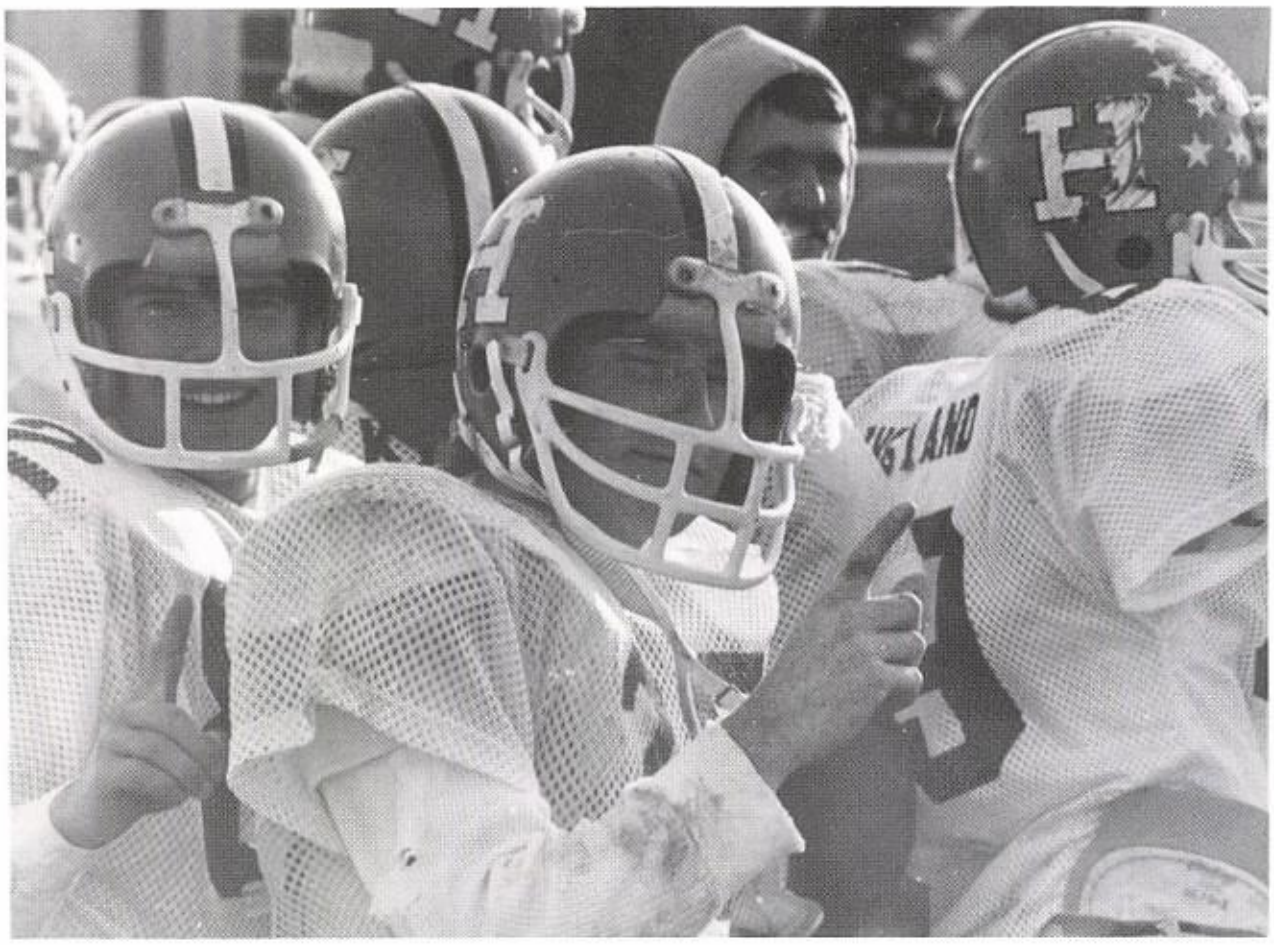
TIGERS CLAIM BIG 10 TITLE



"We are the Big 10 champs!" signals senior Jeff Beach and senior Doug Wigert after the 21-3 victory over North Platte in the Big 10 Playoff.

The Tiger football team captured the Big 10 Playoff game with a 21-3 victory over North Platte. Coach Norm Sheets commented that on defense "the team played as aggressive as any other time this season," and offensively "we passed well when we needed, and also ran the options well." This is the first Big 10 victory in Tiger history.

On the season the Tigers compiled a 4-6 record with victories over Kearney, Beatrice, Columbus, and North Platte. Coach Sheets was very pleased and noted "the season began with a tremendous low, and finished with a tremendous high," citing the loss to Norfolk and the big victory over North Platte.

Some outstanding players on the team were: Greg Beck, Jeff Beach, and Steve Crabtree. These three individuals were named to the all Big 10 team. Brian Hartman and Steve Hahne received honorable mention.

CROSS COUNTRY IMPROVES

The Tiger Cross Country team had an impressive season. The addition of Darin Honn added much to the team.

"Darin is the fastest runner I've ever coached," stated Coach Randy Lawson. Honn placed in the top ten consequtively all season. He ended with many impressive finishes, including second at Trans-Nebraska and District, fifth at the Big Ten Conference meet, and a seventh place finishing at the state meet to top it off.

Other season highlights were the Harrier's victory over Beatrice and a fourth place at the Kearney Invitational.

"Kearney was probably our best meet," explained Coach Lawson. "Darin, Rob Kerr, and Scott Tschauner all ran well, and we looked real good as an overall team."

This was the last season for Seniors Jim Page, Marty Scholtz, Rob Kerr, and Mike Farrell, who all had good showings.

"I thought we had the potential to be stronger than we were, but our main problem was that we ran better as a team earlier in the year than in the end," said Mike Farrell.

Next year's team will probably be led by Honn, Tschauner, and Jim Shea.

Members of this year's team were: Scott Tschauner, Jim Page, Darin Honn, Jim Shea, Mike Farrell, Marty Scholtz, and Rob Kerr.

TIGER TANKERS TAKE TRANS

The Hastings High swim team took 1st place at the Trans-Nebraska swim meet this year. Six first place finishes and numerous other places helped the Tigers take first at Trans. In the meet Ross Freese, with three first place medals, tied for Most Valuable Swimmer in the meet.

On the season the tankers finished with a 4-4 record. After losing four in a row at the middle of the season, the Tigers wound up winning the last three dual meets and placed 13th at State. First year coach Docker Hartfield was "very pleased with the way the kids swam all year." He also noted that "the times were dropped in every meet."

The Tiger tankes will graduate Seniors Jon Marsh, a three year letterman, and Nick Rupiper. Coach Hartfield noted that 8 letterman will return next year, and with the freshman getting needed experience, looks forward to a very strong team next year.

The 1980 season was a disappointing one for the Tiger golfers. Though they had a losing record, they gained a lot of good experience.

Senior Jim Lungren highlighted the year with a 4th place finish at the Grand Island Invite, a 5th at Trans-Nebraska, and a 6th place in the Hastings Invitational.

Eight members of the team lettered this year — Todd Freese, Steve Gass, Ken Kimminau, Jim Lungren, Tony Reimer, Scott Tschauner, Doug Wigert, and Clay Meininger. Meininger was the first Freshman to letter since 1976.

Five members will return for the 1981 season, two of whom are lettermen.

"THEY DID A FANTASTIC JOB!"

-Coach Fike

The Hastings Tiger Tennis team had one of its most successful seasons ever. They can boast an impressive record including a 6-2 dual record, a fourth place finish in the Big 10 meet, and a fourth place finish at state.

In individual records, the squad was paced by Junior Rich Lloyd with a 22-7 record, complemented by a runner-up placing at the state meet in the number two singles position. The Tigers' number one singles player was Senior Dave Marvel who reached the quarter-finals at the state meet.

The number one doubles team of Juniors Joe Miller and Jeff Lake finished with a 22-10 record.

Members of the team were: T. Frank, T. Larsen, D. Marvel, B. Bunde, J. Miller, M. Anderson, D. Tegler, R. Christensen, J. Lake, P. Brownlee, K. Zaroban, S. Scholtz, M. Falk, L. Thrasher, B. FRESHMEN WRESTLERS WERE CONFERENCE CHAMPIONS

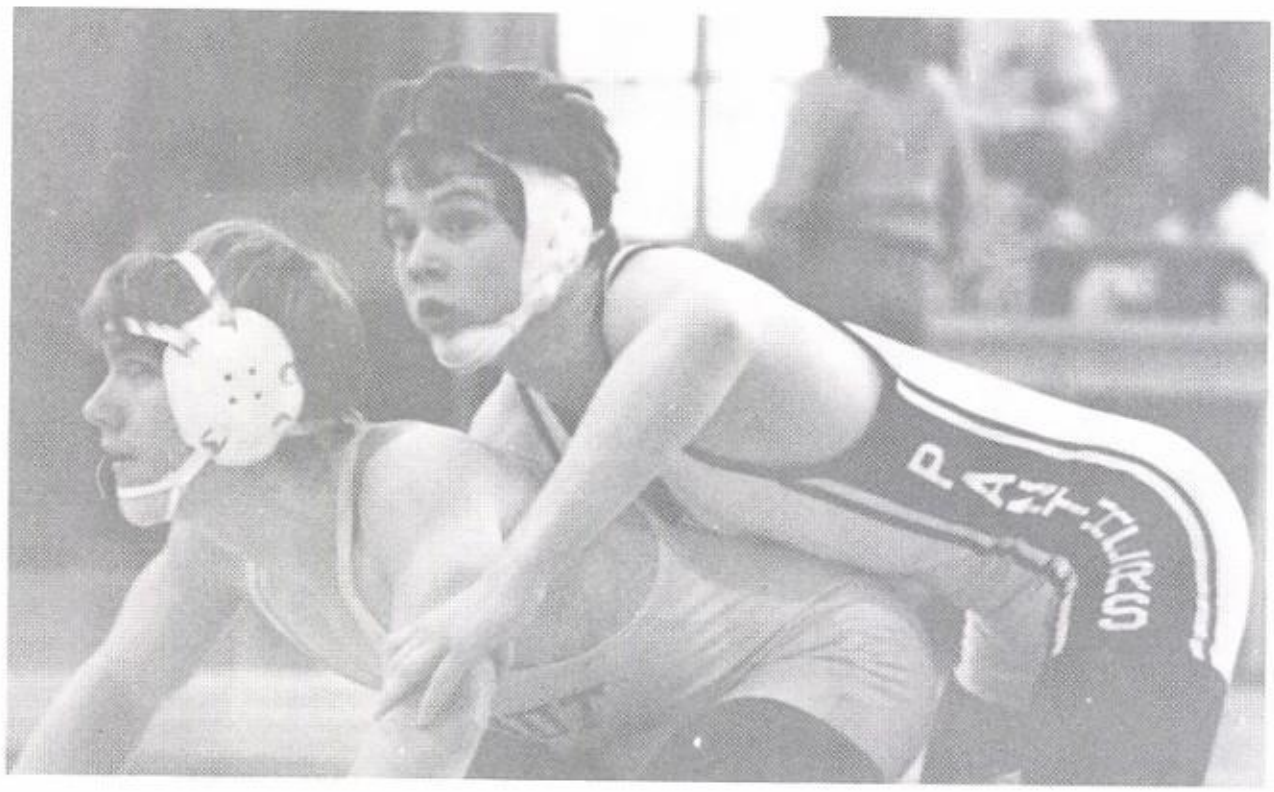
FRONT ROW (L. to R.) Mike Morris, Steve Hunt, Jim Peterson, Todd Kalberg, Tony Richardson, Tim Fleener, Grant Nitzel, Bill Hardy, Mike Faber BACK ROW (L. to R.) Leon Zarek, J.D. Norman, Curt Messler, Roger Aspen, Rick Newlun, Dave Larson, Robb Glassmyer, Mike Delgado



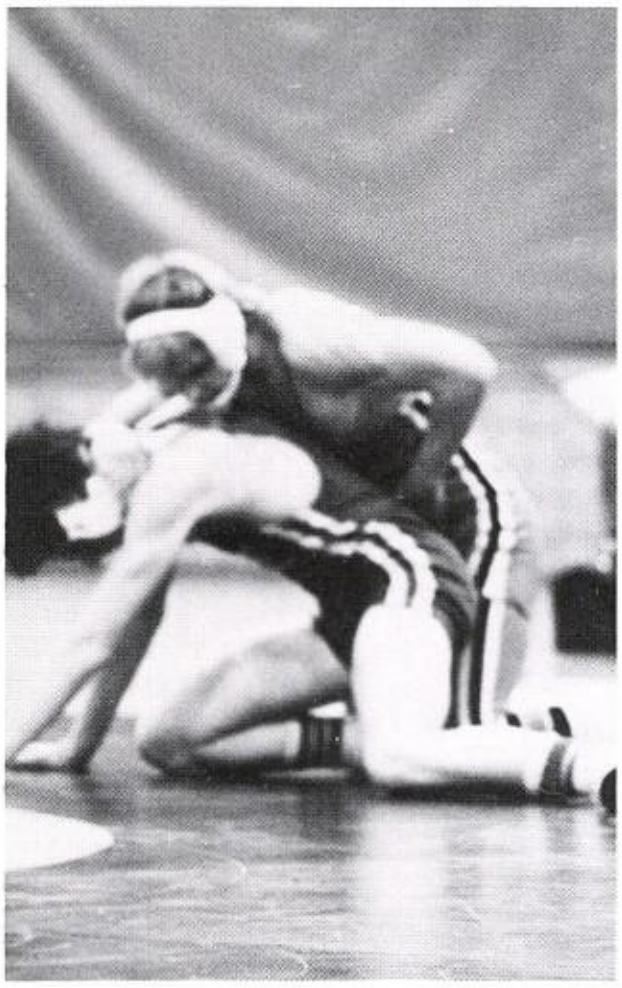
The 9th Grade wrestlers had a very good year in 79-80. Under the coaching of Mr. Lou Panas, the team had a lot of depth. The team participated in 7 meets. The teams season started December 8th and lasted until February 2nd. The original number of wrestlers was 18, but that number dropped within a few weeks because of people quiting. Among the many wins, the 9th graders placed first at the North Platte Tourney, and also first at Conference, held in Kearney.

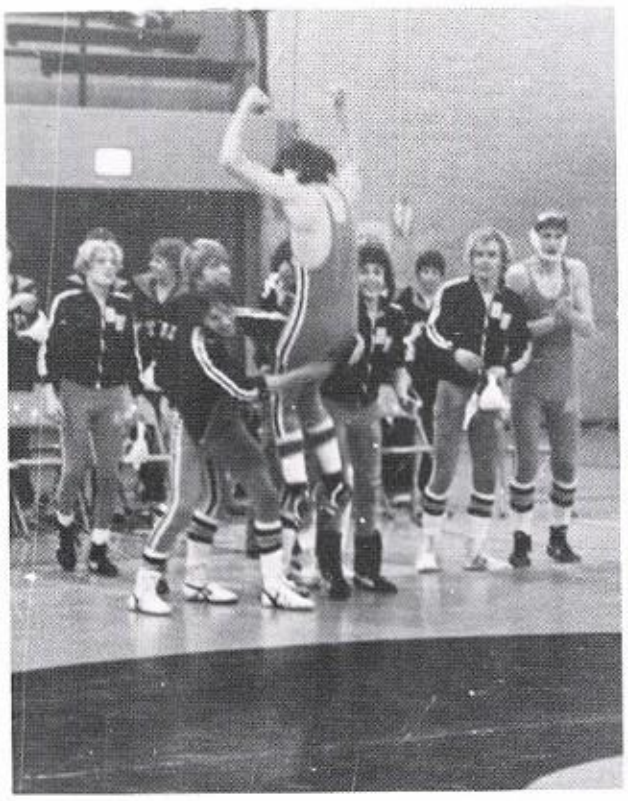
J.D. Norman anticipates the official's blast of the whistle.

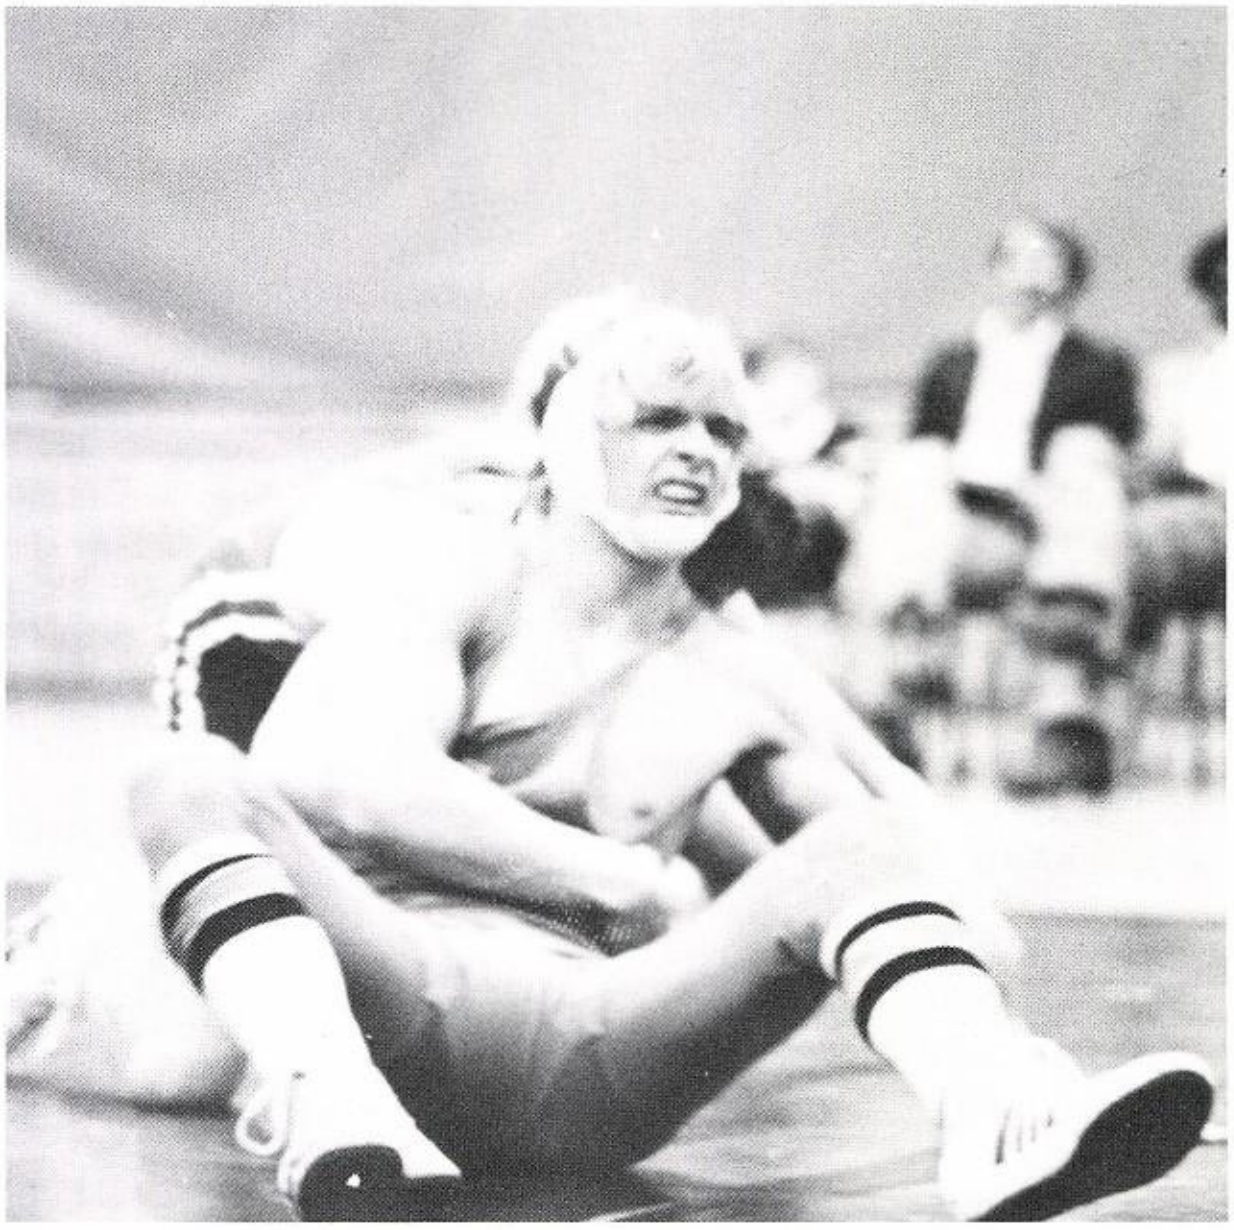
JV GRAPPLERS FINISH AT 7-3-1

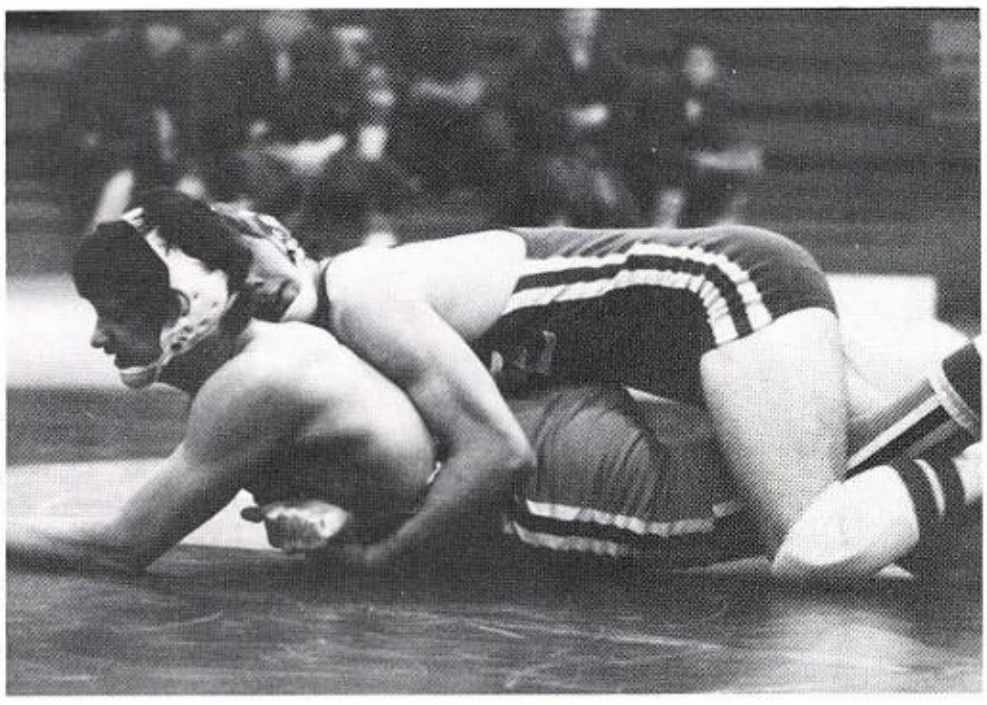
The J.V. wrestling team ended the season with a 7-3-1 mark. The team defeated Lincoln NE, Lincoln East, North Platte, Grand Island, Lincoln High, Lincoln SE, and Davenport while being defeated by Beatrice, Kearney, Kenesaw and tying with Norfolk. Coach Howard Sheley commented that "the team's win-loss record would have been better if they had a complete team. He is commenting on the fact that the team was hurt by the absence of wrestlers in certain weight classes.

The Tigers were led this year by: Kevin Hansen, Scott Nitel, Jim Woodward, Bill Larsen, Scott Moore, and Mike Zeadow.









Top Left: Sophomore Jim Woodward works for a hold that will gain him a pin fall. Above: This time Jim Woodward looks to escape a hold put on him by his opponent.

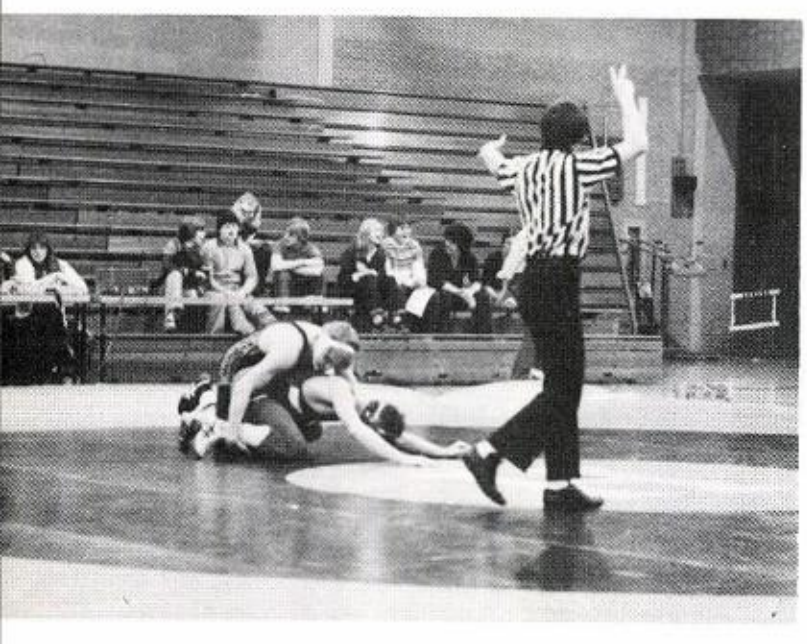
WRESTLERS SEND 8 TO STATE



The Hastings High wrestling team sent eight wrestlers to the State Meet in Lincoln this year. They were: Roy Drummond (98), Kim Lobato (105), Jeff Barry (112), Chris Spilinek (138), Rob Walton (155), Mark Blessing (167), Steve Crabtree (185), and Brian Hayes (Hwt). The team finished 12th at the State Meet. Even though the finish was not very high, Coach Howard Sheley commented that "qualifying 8 guys for State is a very good accomplishment." Leading the team at State were juniors Rob Walton, Kim Lobato, and Mark Blessing who finished 4th, 5th, and 6th respectively. Senior Steve Crabtree ended his wrestling career at Hastings by placing 6th. Coach Sheley noted that Steve placed at State two years in a row, a feat rarely accomplished.

On the season the grapplers set three records as a team. They were: most points in one match (56), biggest point spread in one match (53), and tied the record for the most dual wins in one season (8). Coach Sheley also commented that there was not one or two individuals that carried the team but that the wrestlers pulled good as a team.

The Tigers had a great year with a 8-5 season. Coach Hamburger stated that of the 5 games lost, all were lost by 6 or less points. He also said that their offensive high was 98, and the defensive low was 27.

Some outstanding games that marked the score board were: Hastings 98 Holdrege 46, Hastings 54 Kearney 39, and Hastings 67 Minden 27.

James Carr, Darren Theesen, Rick Christy, David Hamburger, Mark Thomas and Lance Davis were the leading scorers throughout the season. Also James Carr, Darren Theesen, and Doug Gartner were the leading rebounders.

Coach Hamburger felt that this ninth grade group of boys had a lot of depth, height, and shooting ability. They also had good dedication to the team and a good desire to play ball.

Wrapping up the season, Hamburger stated, "Overall I thought we had a good season, but probably we could have been 12-1 rather than 8-5.

Good work and good hustle was how Coach Reimer put it on how the team did this year.

The Tigers had a 3-8 season. One game was cancelled, so they only played 12 games altogether. Hastings had an average of 43.2 points per game.

Some outstanding players were John Harrison who had a 67% free throw average. Rex Klein was the 2nd highest scorer, and was the most improved player. Bill Feis was 3rd in rebounding. Ron Schmidt had the most points and rebounds.

Coa. Reimer stated, "Of the 15 players that participated, 10 of them had never played on a competitive team. So as a result we were inexperienced, but with hard work the guys did well." The most gratifying part of the whole season was the win over St. Cecilla.

JV'S FINISH 9-7

The Junior Varsity brought in the eighties with a winning season. Coach Don Nelson felt there were two purposes for the Junior Varsity and both were met.

The first purpose was to win as many games as possible. Their 9-7 record fullfilled this purpose.

The second purpose was to prepare players for the varsity level. Examples of success in this area are Bill Oltean and Mark Kister. Oltean averaged 11 points per game and Kister came from limited action at the opening of the season to play on the varsity at the end of the season.

Other players who showed great improvement were Jim Hurt, Doug Tegler, Steve Shimek, Jeff Shimek, Joe Miller, Brian Hopkins, and Todd Swenson.

"All of these boys were great contributors to the outcome of the season," said Coach Nelson.

Nelson also felt that there weren't just five players carrying the team. All of the players were capable of playing good basketball in any combination.

Leading scorers for the season were Oltean with 11 points per game, Kister with 9 points per game, Steve and Jeff Shimek, and Doug Tegler with 7 points per game.

TIGERS STRICKEN BY INJURIES

The 1979-80 season was a long one for the HHS Tigers. After a 4-5 start in the first 9 games, the relatively inexperienced varsity squad was slowed down by stiff competition and injuries.

Steve Gass, the early season leader in rebounds and scoring, was injured in mid season. He suffered a sprained ankle which required him to wear a cast and took him out of action for the rest of the season.

At the same time, Juniors Rich Lloyd and Dave Nelson were out with ankle sprains. Lloyd missed action on two weekends and Nelson was out for 4 games.

With three starters missing, the team suffered losses which were to continue after the return of Nelson and Lloyd.

First year Tiger coach, Earl Mullins, felt the season was disappointing because the Tiger men were never able to know what they could have done withou the setbacks they suffered.

Coach Mullins came to HHS from Luther College in Decorah, Iowa where he had been assistant basketball coach for 6 years. Prior to that he had 12 years of high school coaching experience.

The high point of the season was the naming of Tony Reimer and Dave Nelson to the East Big 10 All-Conference team. Nelson led the Tigers in scoring with a 13-point-per-game average. Reimer followed him up with an 11 point average. Tony was also the only returning varsity player from the 1978-79 season.

The Tigers ended the season in the districts with a first round win against North Platte and a loss to Scottsbluff.

TRACKSTERS GIVE THEIR ALL

Even though the Hastings High track team lacked the depth needed for a track team they gave all they had in every meet. Coach Surface noted that even though there was a lack of depth the guys gave it all they had and that was all he could ask of them.

Four tracksters did qualify for the State Meet this year but did not place at the meet. Darin Honn qualified in the 1600 meters, Dave Nelson qualified in the 800 meters, Jeff Karloff in the high jump, and Jim Oatman qualified in the 300 meter low hurdles.

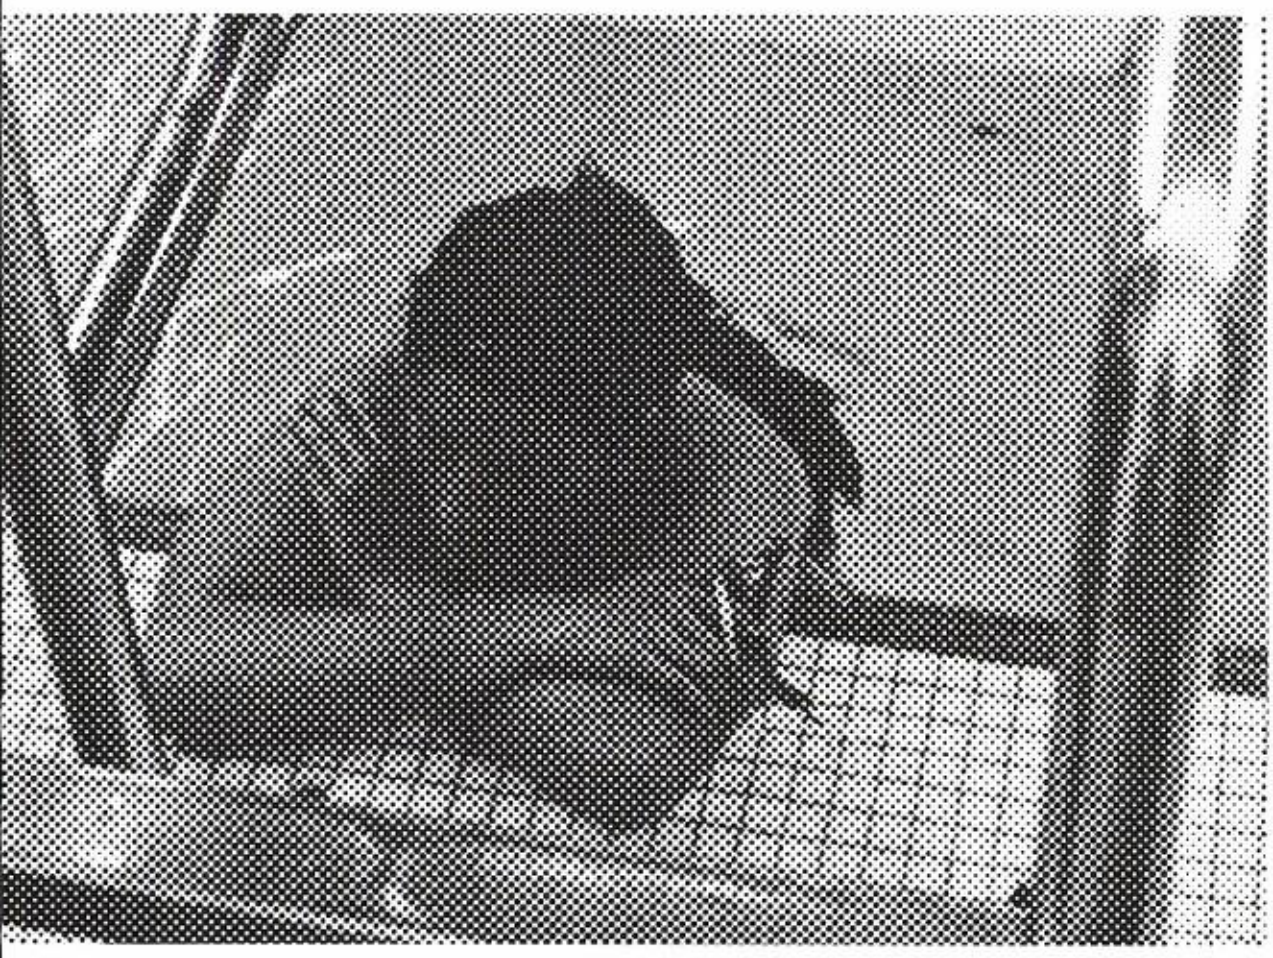
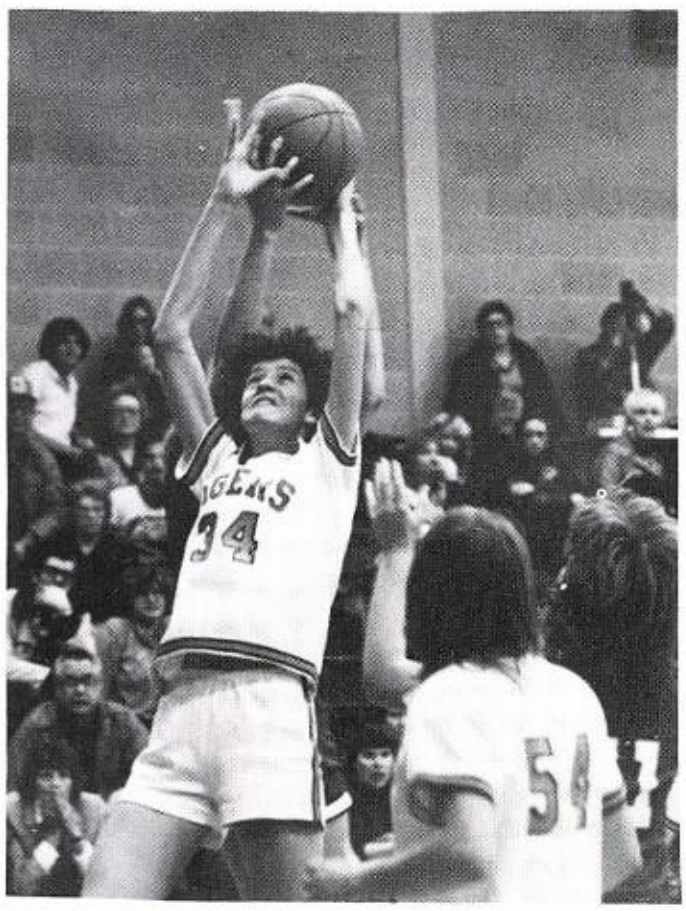
GIRLS SPORTS





VOLLEYBALL TEAMS HAVE GROWING YEAR

The 9th grade volleyball team had a good learning experience. Their record this year was 2-7 but they gained a lot of knowledge from the year and should look pretty good next year.

They didn't have any real problems with injuries this year, but there were quite a few dissapointments.

The team thought that being around the more experienced teams helped because they could see what the competition is for the future and also pick up some skills that the older players have.

"Although we didn't have a winning season it was fun just being out there as a team and working together," said team member Lori Draper.

Lori Draper was one of the many outstanding players on the team. This years team had quite a few people with excellent abilities and HHS can expect to see some good volleyball teams in the future.

The Junior Varsity didn't have a winning season, but a good building one. They built a good base for next years teams which will help very much not only for varsity players but for junior varsity also.

Coach Niewohner commented that the special thing about this years team was that there wasn't any really outstanding players, "They were all very good."

There wasn't any real problem with injuries this year because of the extensive conditioning all through the season.

"Although we had a 2-4 season we kept up good team spirit," said junior Sara Jorgenson. Coach Niewohner said, "The highlight of the season was when we beat Norfolk and when all the teams beat Columbus."

VARSITY TEAM BREAKS LOSING STREAK

Varsity players broke a 19 game losing streak this year, beating Sandy Creek at the Holdrege invitational. They went on to beat three more teams ending the the season with a record of 4-11. This is the best record Hastings High has had in several years.

Many were "unable to move" for about the first week of volleyball because of the extensive conditioning new Coach Denise Teetor had them doing. Coach Teetor was assistance coach in North Platte before she came here.

There were three team members recognized because of their talents. Lori Dwyer and Kelly Dickerson were chosen for East Big Ten, this was Kelly's second award for that and Vickie Nelson was selected by the Omaha World Herold as all-state Honorable Mention.

As quoted by the coach this years team "Was small but mighty". It was made up of 17 girls — 3 seniors, 3 juniors, 5 sophomores and 6 freshmen.

This is the last year for seniors Gwen Ochsner, Wendy Fry and Carin Holm. All girls contributed their talents in many events.

Coach Carla Deger worked around the fact of having a small team. She used different girls in many events giving everyone a chance to participate.

Diving coach Sally Stevens had 3 divers to work with this season. Junior Lori Houtz was the only diver to qualify for the state meet. Along with diving 3 swimmers qualified for state — Carin Holm in the 100 free, 100 back, placing 7th in the 100 fly. Lori Houtz qualified in the 50 free and Lorie Friend in the 100 back.

People receiving Letter Awards are: Anne Friborg, Leslie Friend, Lorie Friend, Wendy Fry, Lori Houtz, Jean Kerr, Jane Kvasnicka, Anne Rief, Raejean Stevens, Cindy Tegler and Gwen Ochsner.

GIRLS TENNIS TEAM BIGGER AND BETTER

"Things went pretty well for the tennis team this year having more people out for tennis helped a lot and outlook for future teams looks real good also", said Coach Deger. "The team ended the season with a 4-4 record in duals and among those victories in duals was the defeat of Grand Island which the Hastings girls have never been able to do since the program started." The team also placed third at Trans and seventh at Big 10.

Six girls went to state and finished eleventh. Those six were Debbie Jacobi, Sarah McDougal, Joan Oberg, Diane Dunham, Ann Sandstedt and Joanne Hamilton. Joanne made it to the semi-finals.

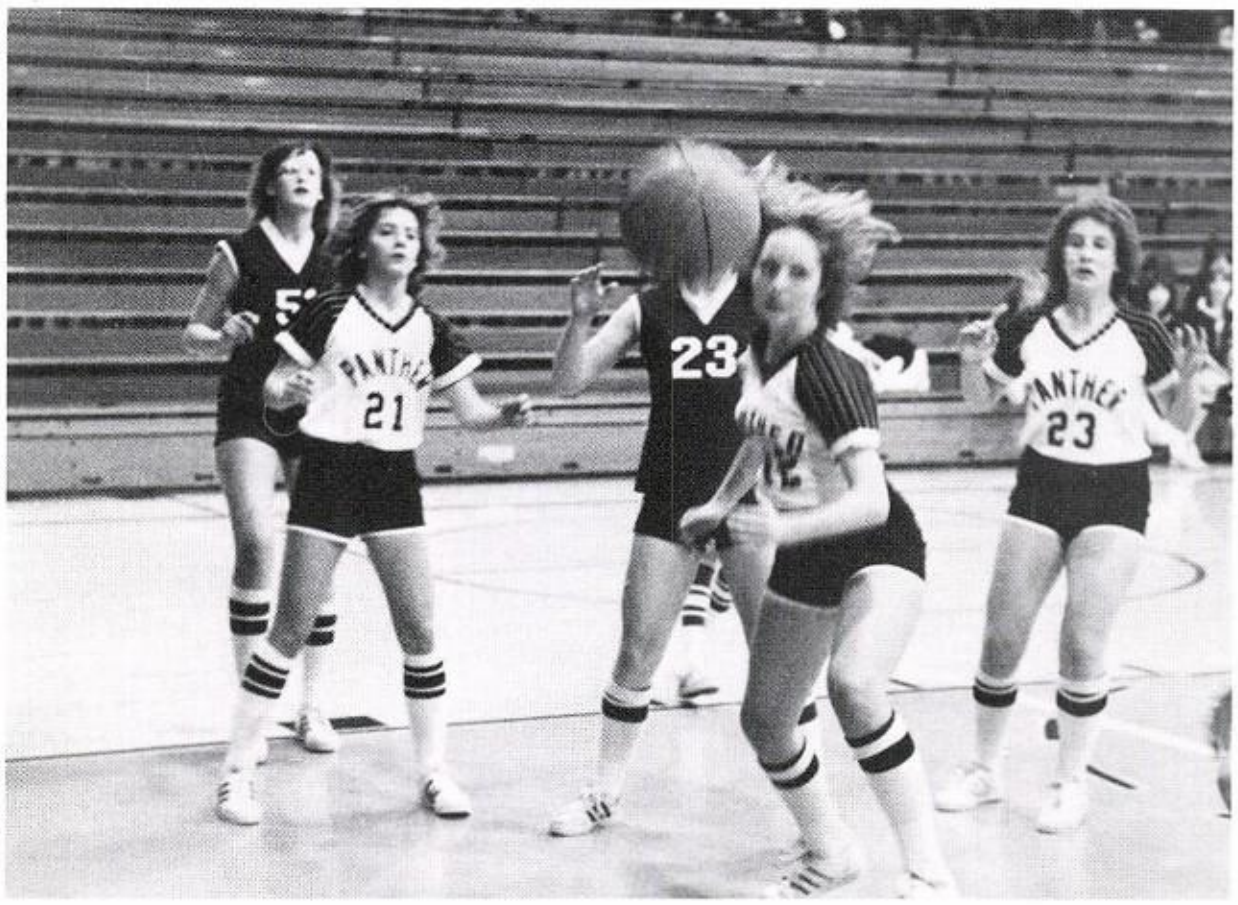
Former panthers of the junior high made their step up to Tigerland a victorious one, with their best season with an over all 7-6 record.

A high light of their season was when they beat grand Island Barr, which has been a rival for quite some time. The score was 33-23.

The team had to adjust to a few changes. They had to practice at later times because the gym was being used by three other basketball teams all needing a place to practice, and game dates and times varied. Yet dealing with the move to the senior high some feel it was an advantage to the team and self improvement as Ann Sandstedt said, "Being able to play and practice on better facilities and having more support from a larger faculty and student body, we had better team support which ended in a winning season."



At times the basketball can be up for grabs as team members decide whose ball it's to be.

Tiger Junior Varsity basketball girls really earned their stripes this season with a best over all season of 7-9 under new coach Denise Teetor.

Coach Teetor considered it an "exciting season and well rewarding, the girls worked well as a team."

Along with a rewarding season Coach Teetor found exciting moments, such as the game coming down to the last couple minutes and you look for players on the bench and they're all leaning back with faces covered; or recieving the first technical of your coaching career.

The team was made up of 12 Sophomores and 5 Juniors.

Lorie Arneson said, "The team started the season out to win more then we lost, but the over all season was good."

The lady tigers started strong, taking seven of their first eight contests, downing defending and number one ranked state champion Grand Island, and taking the Central Nebraska Holiday Tournament Championship in the process.

After downing the Islanders, the tigers really earned their stripes by defeating two top ranked teams in a row. Only this time they defeated the Lincoln Northeast Rockets by a score of 43-37. This victory proved the tigers meant business, as it propelled them to the number-two state rankings.

The tigers didn't rise from their number two position, but remained in the rankings until the district contest in which they entered ninth.

Having ended their tiger season at districts the tigers knew they didn't have to hang their heads for their efforts, for the tigers had an over-all best winning record and also captured wins as East Big Ten Champs and Big Ten Play-Off runner up.

The tigers set several team and individual records in the best-ever season, including longest winning streak at six and most wins in a season at twelve.

The team success can be all summed up by Coach Congroves remark of, "Very satisfying season."

9TH GRADE TRACK GAINS EXPERIENCE

The ninth grade girls didn't have a winning season, but they did have a learning season. So next year when they come up to varsity track they will have a years experience and training to help them along. To be exact the girls ended the season 0-6.

Diane Nelson helped the team out by setting two new records-in the 880 and mile run.

"Basically, we had a very small group with many beginners. That's what hurt us the most," said Coach McDonald.

"This season was excellent except for a few cold and windy meets," said Coach Lawson, "there were outstanding performances by all team members." There were 10 school records set because of the switch to meters. Although there were a number of good days the bad day was yet to come and it happened to come on the worst possible day-the day of districts. Out of the 10 ranked to go to state only three made it. Those three were Terri Smith and Lorie Arneson in the 440 and Sharon Hemberger in the high jump. Sharon placed third in state with a jump of 5'4".

The girls placed second in both Big 10 and Trans, a first for the girls since the program started. Among the victories was the defeat of Grand Island which was also a first. The season ended with 30-12 record.

Although there wasn't any problem with injuries on the team, the coach had some problems keeping his nose in one piece. He broke it demonstrating his form in the Shot.

Intramural Volleyball got off to a swining start this year with four teams participating in the fun. The team that had the most fun could have been the one at the right because they are now the current champions at Hastings High.

The girls and boys Intramural Basketball or better known as IBA had three fantastic teams. As champion team The Bench Squad had a outstanding season with a 6-0 record. They competed against five other teams. The Bench Squad as senior Julie Houtz said, "showed no mercy."

The guys Intramural champs, the Space Trotters had a season record of 7-1. They competed with three other teams. Senior Greg Beck commented, "one of the reasons we were so good was that we had a team that could handle the ball very quickly when needed."

The freshman class champs consisted of six members. They had a good record of 7-1, also.

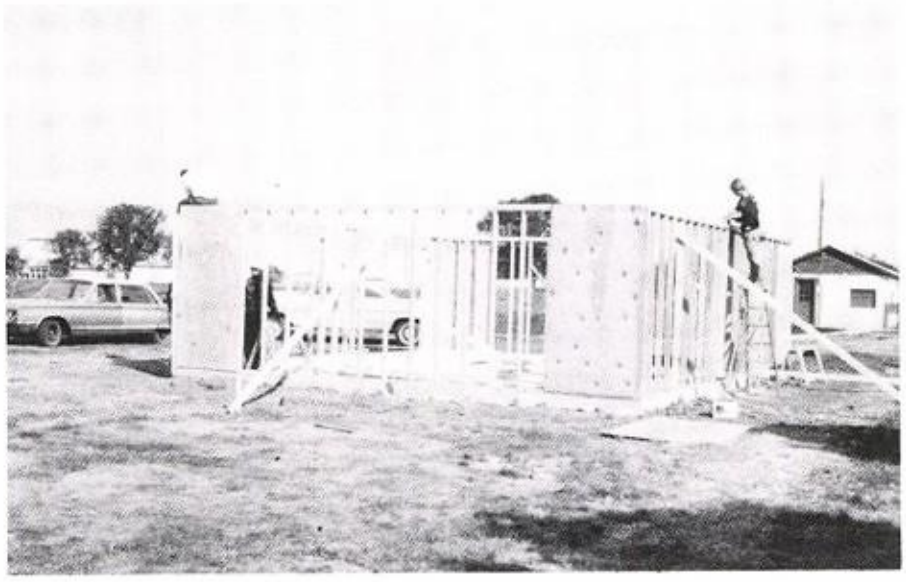
INDUSTRIAL ARTS CLASS BUILDS SHED



The building and trade class did quite a bit of work this year. They were involved in putting in the bath rooms in the bus barn north of the school and laid concrete forms for two storage buildings to be put in this summer.

Their main project this year was erecting a storage building for physical education and lawn equipment. This building is located north of the school next to the track. It was started in late October and finished in March. Glen Marshal was in charge of all the construction work.

The class plans to be doing some construction work out at Stuhr Musuem this summer.

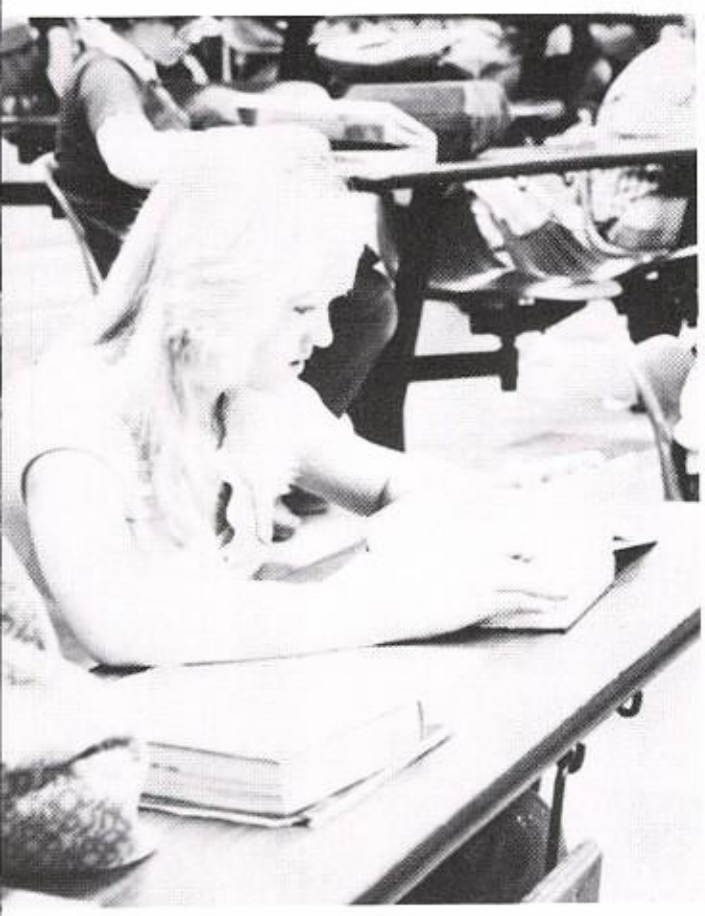
FRESHMEN BRING CHANGES



Above: The addition of the freshmen added greatly to the HHS music department.
Left: Mona Oxner finds that even with the change of schools, she can't get away from the books.
Below Left: Darren Theesen found that being part of the high school allowed him to participate in the school plays.
Below Right: Tom Sachtleben and Sophomore Larry Holcombe find that Senior high can be fun at times.

The addition of the ninth grade to Hastings Senior High brought many changes. The move, which had been in the works for about three years, was made to cut duplication of courses and eliminate unnecessary costs due to the extra staff members and materials required for these courses.

Dr. Elmer Murman, Principal, feels "the ninth grade move to the senior high school has gone very smoothly."

There have been problems and changes to get used to, but, in most cases, the students and faculty members adapted well.

"The halls have been very crowded between periods. The halls are narrow considering the size of the school," stated Dr. Murman. "Adding 275 more students to the hallways between periods has converted the hallways to 'wall to wall' students."

Due to the failure of the bond issue to enlarge athletic facilities in the 1978 election, the gym was in constant use. There were always groups practicing from 6:30 a.m. to 10:00 p.m. every weekday and all day on Saturdays. In addition, other facilities in the community were used.

The biggest change was the return to traditional scheduling. It was often difficult to get help from a teacher at any time other than in class and unplanned visits were nearly impossible.

Sparklers glowing in the night was the scene surrounding the crowning on Royalty Night. Seniors who were tapped as candidates, had thought about this night. Who among them would be honored as Queen and King of 1979? When Beatrice and Hastings separated and left the field, fans rushed from the stands to catch a glimpse of the exciting halftime program. After the Tigerettes performance they lit their sparklers and anticipation filled the stadium. Danelle Black was given a bouquet of flowers by Becky Minnick, 1978 Maid of Honor, signifying her as 1979 Maid of Honor. Mary Feis received a most important hug from 1978 Queen, Amy Foote as Miss Feis was then crowned.

After the game the dance was halted to crown the 1979 King. People were curious to who would join the two ladies in Royalty. Paul Monson recognized Greg Beck as prince and Mary Feis gave Steve Crabtree the title King of Royalty Night.

"THE THIRD ACT WAS A RIOT"

Mr. Ron Veburg

"Pulling The Curtain" was the fall play, which was presented on November 9 and 10. It tells how a play is produced and all the work that is put into giving a play.

The play within the play was written by Nadine Egomain, who was the leading lady and the director. In the first act, the cast for the play was chosen and the first rehearsal took place. In the second act, the rehearsals and the other preparations took place. The play was given in the third act. This act, the play, is where everything possible goes wrong. Nadine only has half of the props, people did not learn their lines, some actors quit, and another forgot his lines in the middle of the performance. "The third act was a riot," stated Mr. Veburg. "Anything that could go wrong with Nadine's production, did." Laurie Brookhart commented, "The third act was so funny, that many of the real actors could not keep from laughing."

"During the real play's dress rehearsal, many things went wrong, also. Mike Obenchain's pants did not fall down, and I kept tripping over my dress." said one actress.

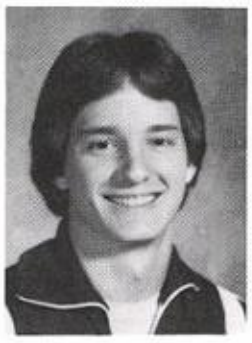
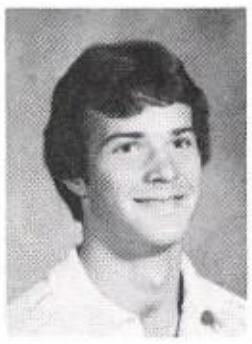
"WELL, WELL, HEL-LO DOLLY"

Waiting, playing, eating, makeup, all were part of everyone's schedule at musical time. But all these built a DYNAMITE performance.



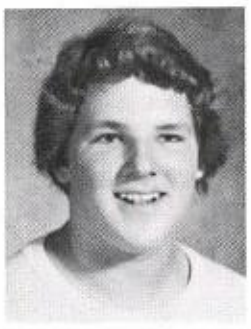
Tom McDowell: "I tried out for Hello Dolly because I enjoy music, and it has given me a chance to act. I enjoy performing in front of people, and communicating with them. There's a big contrast between Horace Vandegelder, my character, and my real personality."

Melinda Schwab: "Music is one of the highlights of my life now, and I felt this would be a experience I would never forget. Playing Dolly Levi is an exciting role, and it has given me a chance to get to know a lot of new people"



Scott Messler: "I've been involved in plays in the past, but only backstage, working on lights and sound. Hello Dolly is more than just a play to me, because not only do I get to act, but I also sing which is something I really enjoy."

Julie Crowely: "The musical took a lot of work. But it's been a really good experience."



Doug Runcie: "Being Barnaby Tucker fits my personality. I can really understand the part, and I have a lot of fun doing it."

Julie Houtz: "I'm really excited about getting a part in the musical. I've always wanted to be in a musical or play, so I took time out his year from a sport to 'Go Broadway!'"

The 1980 Hastings Senior High Broadway Musical production, was a smashing success. Curtain time for the performances was 8:00 p.m. on February 29 and March 1. The Jerry Herman musical is adapted from Thorton Wilder's "The Matchmaker" and first played in New York in 1965 with Carol Channing as Dolly Gallagher Levi.

Approximately 90 HHS students were involved in the musical, either in the cast, or singing and dancing in the chorus. An additional 25 students played in the orchestra, or served on the technical crew.

Director and choreographer of the musical was Robin Koozer, with Louie Pratters, assistant director; Ronald Veburg, technical director; Bill Roehrs, orchestra preparation; Paul Simmering, sound engineer; Karen Copple, wardrobe mistress; Theatrical Costumers of Omaha, Wardrobe; Grace McGinnis, wardrobe assistant; Dr. Elmer Murman, Lanny Petit and Duane Freeman, tickets; and Ron Kort and Louis Pratters, Usher Corps.

Tickets were sold at the high school office, or by members of the cast and chorus. The price was $3.00 for adults, $1.50 for students.

Junior Melinda Schwab lead the cast as Mrs. Dolly Gallagher Levi, a nosey but clever matchmaker who makes sure that everyone is happy at the play's end. Other members of the production cast included: Tom McDowell, Horace Vandergelder; Scott Messler, Cornelius Hackl; Doug Runcie, Barnaby Tucker; Julie Houtz, Minnie Fay, Kevin Lutz, Ambrose Kemper; Anne Friborg, Ermengarde; Cindy Aylward, Ernestina; Loei Hartmann, Mrs. Rose; John Killefer, Rudolph; Steve Andrew, Judge; and Dave Crowl, Court Clerk.

"PERFECT IDIOT" SEEN AT HHS

A perfect "0" on a college entrance exam! What is he a complete idiot or a genius? This was the case in this year's Senior Class Play. "The Perfect Idiot" was the HHS Senior Class Production. It was presented April 11 and 12.

The play opened in the Tennyson home, where Dan, a child genius, had quit all his school activities and his quiz show from boredom. He felt high school could offer him nothing else. He was ready for college. His parents were upset by his actions, so they decided not to let him take his entrance exams until he proved he was socially adjusted.

To prove himself adjusted, Dan took on the job of tutoring Puff, the athlete, in exchange for Puff and the gang making Dan the most popular kid in school.

Dan's parents wanted to surprise him by letting him take the exams. Dan, not wanting to leave his friends, answers every question wrong and receives a perfect 'zero'. A doctor from the college board shows Dan's parents the score. After the truth is told why he answered them all wrong, Dan is allowed to retake the tests and all is well.

The actors were as follows: Dan Tennyson, Steve Hahn; Mrs. Margarte Tennyson, Carin Holm; Prof. Roger Tennyson, Rob Kerr; Jackie Tennyson, Dan Ridge; Mr. Arthur Barnard, Dave Crosby; Walter P. Latherby, Kevin Lutz; Linda Barnard, Ruth Lundeen; Carla Carlson, Robbyn Kirk; Jeannie Wilson, Ann Mays; Aloysius 'Puff' Witomski, Greg Beck; Miss Baker, Rhonda Scribner; Miss Booth, Glenda Albers; Rhodora, Chris Snell; Dr. Hockhorst Von Barf, Mark Miller; and Officer O'Hara, Curt Bennett.

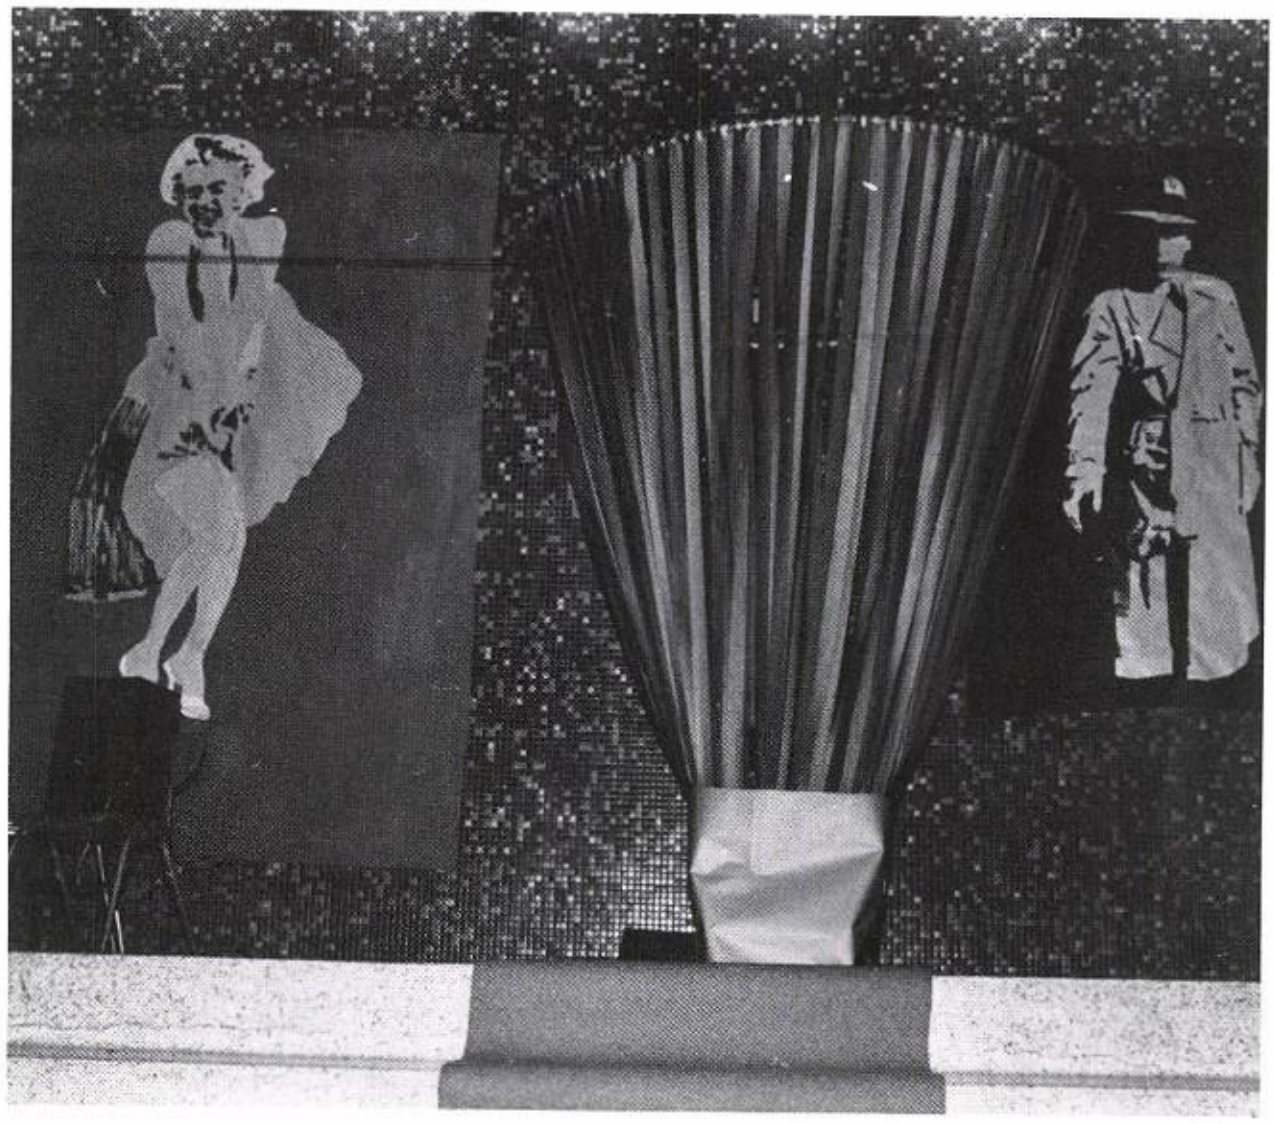
Top: Linda Barnard (Ruth Lundeen) gives Dan Tennyson (Steve Hahn) dancing lessons for the Prom. Middle: While Puff Whitomski (Greg Beck) is under Dan's (Steve Hahn) hypnotic command, Mr. Latherby (Kevin Lutz) hypnotises himself into thinking he's a rabbit. Jeannie (Ann Mays) watches in disbelief. Bottom Left: Mr. Barnard (Dave Crosby) points out to Thodora (Chris Snell) and Roger and Margaret Tennyson (Rob Kerr, Carin Holm) how popular Dan has become in the last month. Bottom Right: Carla (Robbyn Kirk), Jackie Tennyson (Dan Ridge), Linda (Ruth Lundeen) and Jeannie (Ann Mays) watch Puff (Greg Beck) recite his English lesson word for word.

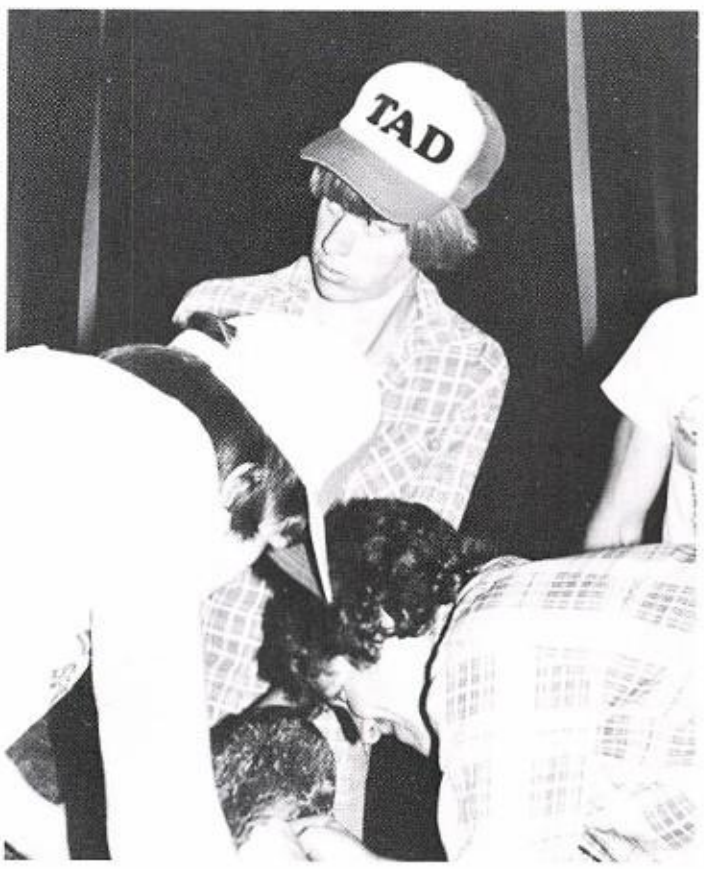
Top Left: Mr. Latherby (Kevin Lutz) explains to Mr. Tennyson (Rob Kerr) the advantages of Latherby Soap over Odor-Proof. Top Right: Linda (Ruth Lundeen) tells the gang how she doesn't think their scheme will work much longer. Top Lower Right: Lathe rby (Kevin Lutz) is out to kill as he asks Roger Tennyson (Rob Kerr), "Is that fiend your son?" Bottom Left: Dan (Steve Hahn) asks Linda (Ruth Lundeen) to wear his class pin. Above: The gang begs Dan (Steve Hahn) to hear their request. Left: Linda (Ruth Lundeen) pleads with Dan (Steve Hahn) to tutor Puff.

IT'S "OPENING NIGHT" AT HHS

The 1980 juniors decided to be unique! They didn't use a song title as their prom theme. Instead the gym was decorated for "Opening Night", modeled after the premier of a movie. Huge posters of Humphrey Bogart, Marilyn Monroe, Charlie Chan and others hung in the gym and on the landing. A giant, lighted marquis and fountain accented the interior.

Staff adviser Tom Hardin and junior representative Doug Marx led a devoted, if small, group of juniors. Preparations started weeks ahead of time but still there was a mad dash the two days before the big night. Last minute problems, streamers, extension cords, and exhausted juniors filled the HHS gym on the afternoon of May 17, 1980. Those things soon disappeared and that evening there was only sparkle and romance. Blackberry Winter, of Lincoln, Nebraska, played until 12 pm. ---- But the night didn't end there! It was off to small parties, big parties, breakfasts, and more fun. "Opening Night" was truly a smash hit!





Above: The decorations are finally up! Right: John Vonnes, Doug Tegler, and Mr. Hardin struggle with the center fountain.

Left: Scott Brink and date eye the decorations. Below: Nick Rupiper, Angie Peterson, Jim Schamens and his date are first to test the punch. Above: Waiting in line to have your prom picture taken can be fun.
